S.M. SUNDARAM, Under Secy.

नई दिल्ली, 17 अगस्त, 2009

का. आ. 2335.—यतः केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि आंध्र प्रदेश राज्य में आर.ओ.यू. पाइप लाइन “के. एस.पी. (पश्चिम) # 2 से केसानापाल्ली (पश्चिम) जी.सी.एस” तक पेट्रोलियम के लिये पाइप लाइन तेल तथा प्राकृतिक गैस आयोग द्वारा बिछाई जानी चाहिए।

और अतः यह प्रतीत होता है कि ऐसी लाइनों के बिछाने के प्रयोजन के लिये एतदुपाबद्ध अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अब, पेट्रोलियम और खनिज पाइप लाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उप-धारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आशय एतद्वारा घोषित किया है।

बशर्ते कि उक्त भूमि में हितबद्ध कोई व्यक्ति, उस भूमि के नीचे पाइप लाइन बिछाने के लिए आक्षेप सक्षम प्राधिकारी तेल तथा प्राकृतिक गैस आयोग, निर्माण और देखभाल प्रभाग राजामन्दि एसट/के.जी.बेसिन, ओ.एन.जी.सी., गोदावारी भवन, राजामन्दि, आंध्र प्रदेश अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आक्षेप करने वाला हर व्यक्ति यह भी कथन करेगा कि क्या यह वह चाहता है कि उसकी सुनवाई व्यक्तिगत रूप से या किसी विधि व्यवसायी की मार्फत।

AWARD

Passed on 22-7-2009

The Government of India by exercising its powers
under Section 10 of the Industrial Disputes Act (the Act in

short), vide notification No. L-12012/312/97-IR (B-1) Dated 20-8-1998, referred the following industrial dispute for adjudication to this Tribunal :-

"Whether the action of Asstt. General Manager, State Bank of India, Region IV, Chandigarh in denying duties and allowances of Teller to Shri Charanjit Singh, Clerk at Dhanualla Branch of State Bank of India and instead allowing the same to his junior is fair and just? If not, to what relief the workman is entitled to and from which date?"

The nature of reference referred to this Tribunal is relating to the transfer of Shri Charanjit Singh to Dhanualla branch of State Bank of India and denying him to work on an allowance of Teller. In statement of claim other issues have also been raised by the workman, but this tribunal has to confined itself for adjudication of the issue referred by the Central Government.

On perusal of the pleadings and evidence of the parties, it is evident that the workman was transferred to Dhanualla Branch, State Bank of India where his junior was already discharging the function of teller and getting allowances as such. The workman represented number of times that his seniority should be honored, and instead of his junior, he should be entrusted the responsibility of teller and paid teller allowances. The workman has referred para no. 529 of Shastri Award and alleged that failure of the management of State Bank of India for entrusting the duties and paying the teller allowance is violation of this para.

The management of bank appeared and contested the issue of teller allowance. It is contended by the bank that a teller is appointed after considering the existing seniority of the region for the time such appointment is made. If, any workman, is transferred, thereafter, to that region, he cannot claim on the basis of his seniority to be appointed as teller.

The concern paras of Shastri Award regarding teller are 402, 403, 404, 405 and 406. The para 529 of Shastri Award referred by the workman is relating to the general seniority of a workman. It has no concern and nexus with the appointment of any workman as teller. Under above mentioned paras of Shastri Award detailed procedure has been given for appointment of teller, training and special allowance for teller. Para 402 of Shastri awards reads as under :-

"Teller will be appointed from amongst the clerical/cash department staff, as and when any vacancy arises on the basis of collective city seniority, if there are more than one branch in that city."

The plain reading of this para make it clear that on any vacancy, teller will be appointed on the basis of collective city seniority and not on the seniority of any branch. After appointment of a teller a training programme has been made mandatory by para 404 of Shastri Award.

The maintenance of seniority has also been mentioned in para 402 itself. The cumulative effect of the provisions of above mentioned para is that when any vacancy exists in any branch the teller shall be appointed on the basis of seniority of the District in which branch is situated and not the seniority of the branch where the vacancy exists. Thus, it is the seniority of the district at the time when vacancy exists which is to be considered for the appointment of a teller. If any workman has transferred to that District in any of the branch, may be to the branch in which teller was appointed, his seniority has no concern with the teller already appointed by the bank. The teller is appointed for a specific purpose and bank has made it mandatory for a training programme to discharge the function of a teller efficiently. The person so appointed as teller is properly trained and his discharging the duties as such, he becomes eligible to teller allowance. The workman was not working in Dhanuala branch and in district at the time of appointment a teller at Dhanuala branch. The appointment was made on the bases of District seniority for the time, the appointment of teller was made.

The person appointed in that particular branch was trained for that specific purpose of teller and just because of the fact that workman was thereafter transferred to that branch and is senior to him, he cannot claim to be appointed as teller at his place. Thus, there is no force in the reference and reference is answered with the finding that workman is not entitle for his appointment as tailor and getting the teller allowance as such.

Let Central Government be informed for publication of the award and thereafter, file be consigned.

AWARD

Passed on this 13th day of July, 2009

1. The Government of India, Ministry of Labour vide its Notification No. L-12012/121/98-IR (B-1) dated 6-1-99 has referred the following dispute for adjudication by this tribunal :—

“Whether the action of the management of Chairman, Kshetriya Gramin Bank in terminating the services of Shri Lal Singh Choudhary w.e.f. 8-1-87 is justified? If not, to what relief the workman is entitled for?”

2. the case of the workman, in short is that he was appointed by the management Bank as Part-time peon on daily wages @ Rs. 7.50 per day on 10-11-1983 and joined at Piparia branch office. It is stated that on his appointment, PF Contribution was deducted from his salary and PF A/c No. 3243/370 was allotted. It is stated that on 19-9-1986, a case of embezzlement of Rs. 50,000 was lodged at Piparia Police Station and number of staffs were made accused including the workman. Thereafter, he was taken into custody on 10-1-1987 and was released on bail after three months. He then approached the management Bank to join his duties but he was not allowed to join as the criminal case No. 157/87 was pending before Shri R. K. Nagpure, Judicial Magistrate, First Class, Piparia. It is stated that after trial he was acquitted in the case on 5-6-95. The workman is said to have submitted application on 4-8-95 to join his duties. Thereafter a reminder dated 10-2-96 was given by him but the management bank neither replied nor permitted him to join his duties. It is alleged that the management has illegally terminated him from the service. It is stated that there is relationship of employer and employee between the management and the workman under the provision of Industrial dispute Act, 1947. He has worked continuously more than 240 days in a calendar year and he was retrenched without adopting the provision of Sec-25-F of the I.D. Act. The workman claims to be reinstated with back wages.

3. The non-applicant appeared and contested the case by filing written statement. The case of the non-applicant, inter alia, is that the workman was engaged as daily wages worker (part time peon) therefore the rules and regulations of Bank's service does not apply and the question to initiate any departmental enquiry does not arise. It is admitted that an amount of Rs. 50,000 was misappropriated on 19-9-86 in the Piparia Branch of the non-applicant and a police case was instituted in which the workman was in custody. Later the prosecution failed to prove the charges against the workman and other accused persons and they were acquitted by the judicial Magistrate in case No. 157/87. He was not a permanent employee and as such he was not allowed the benefit of reinstatement as in case of Hargovind Sahu who was permanent employee of the Bank. It is stated that the workman never approached from May, 87 to 3-8-95 for re-appointment and approached in the Bank on 4-8-95 and on 10-2-96 for re-engagement in service. His application was not considered as part time peon was not required.

4. On the pleadings of the parties, the following issues are for adjudication-

(i) Whether the action of the management Bank in terminating the services of Shri Lal Singh Choudhary w.e.f. 8-1-87 is justified?

(ii) If not, to what relief the workman is entitled for?

5. Issue No. 1

The workman has adduced oral as well as documentary evidence. The non-applicant Bank has not examined any evidence in support of his case.

6. Now let us examine the evidence of the workman in order to determine the point for consideration. It is an admitted fact that the workman was appointed as part time peon on daily wages from 10-11-83. The workman has filed photocopy of appointment letter which is marked as Exhibit W-1 which appears to have been issued by Branch Manager, Piparia. The workman has stated that he worked continuously and was taken into custody on 10-1-87 in a case of criminal mis-appropriation instituted by the non-applicant Bank. This fact is also not denied by the non-applicant rather it is admitted in the pleading that the workman worked as a part time peon in piparia branch from October, 1983 to December, 1987. It is established that the workman worked for more than 240 days in a calendar year. Further in support of the case, the workman filed carbon copies of Form 3-A which are paper Nos. 3/15 to 3/17. These papers are contribution towards Provident Fund of month to month from March, 84 to January, 87. This is filed to show that he was in continuous service.

7. The workman Lal Singh Choudhary has stated in his evidence that he was taken into custody on 10-1-87 in criminal mis-appropriation case and was acquitted by the court on 5-6-95. The workman has filed photocopy of the judgment passed by judicial Magistrate, 1st class in criminal

case No. 157/87 wherein the workman was acquitted of all the charges. The said judgment is marked as Exhibit W/3. The judgment shows that the workman was acquitted by way of complete exoneration and not by giving benefit of doubt. This fact is also admitted by the non-applicant in his pleadings.

8. It is also an admitted fact that non-applicant is an Industry and Industrial Dispute Act, 1947 is applicable to non-applicant. Now the important question is as to whether the workman was in continuous service as admittedly the workman filed an application on 4-8-95 before the non-applicant for reinstatement in this service which is marked as exhibit W/4 and again an application was filed on 10-2-96 which is marked as Exhibit W/5. As to whether the period from 1987 to June, 1995, in which the workman was not in job, be deemed to be in continuous service. It appears that the said period is deemed to be in continuous service for that period even if service is interrupted on account of cessation of work which is not due to any fault on the part of the workman. Moreover the workman has stated in his evidence that after bail, he approached the non-applicant who told him that they would be reinstated only after acquittal. The workman has further stated in his evidence that he has been terminated without adopting the procedure of 25-F of the Industrial Dispute Act, 1947. This fact appears to be not denied by the non-applicant in his pleading and it is deemed to be admitted. Thus from the evidence adduced by the workman, it is proved that he worked continuously for more than 240 days in a calendar year and without observing the provision of Sec-25-F of the I.D. Act, he was orally terminated. Accordingly I find that the action of the non-applicant was not justified in terminating the service of the workman w.e.f. 8-1-87. This issue is decided in favour of the applicant and against the non-applicant.

9. Issue No. 2

On the basis of the discussion made above, the workman is entitled to be reinstated on the post from the date of termination i.e. 8-1-87. The applicant appears to have applied to be taken in service from 4-8-95. As such, the back wages is entitled to be paid from 4-8-95. Accordingly this issue is decided.

10. In the result, the award is passed in favour of the applicant and against the non-applicant with back wages w.e.f. 4-8-95 without any order of costs.

11. Let the copies of the award be sent to the Government of India, Ministry of Labour & Employment as per rules.

AWARD

22-07-2009

1. By order No. L-41012/41/2000-IR (B-1) dated : 17-08-2000 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between sri Ranjeet Singh S/o Late Chedha Singh H. No. 555 ka Om Nagar, Bhilwan, Alambagh, Lucknow and The Chief Works Manager Loco Workshop, Uttar Railway, Charbagh, Lucknow for adjudication.

2. The reference under adjudication is :

“ Whether the action of the Management of Uttar Railways, Lucknow was justified in terminating the Services of Ranjeet Singh from 13-12-86 ? If not, what relief the workman is entitled to ? ”

3. In brief, the case of the workman is that he was engaged as casual labour in Loco workshop Northern Railway Charbagh, Lucknow and after working required period he was granted temporary status w.e.f. 13-12-86. The workman has alleged that he has been discharged from the services vide order dt. 12-12-86 without issuing any charge sheet in violation of Railway Rules and principle of natural justice, therefore, impugned order is liable to be set aside. The workman has prayed to reinstate him with full back wages and consequential benefits.

4. In reply, the claim of the workman has been refuted by the railway administration. It is alleged that the workman obtained the employment on the basis of a forged educational certificate. Thus, his engagement was void ab-initio. It is also contended that rules allegedly contended in Railway Board letter No. (NG) II-83/CL/HC/90 also does not attract to the present case as the workman had never been legally and validly engaged as workman in any cadre whatsoever. The workman has been discharged from the service on account of submission of forge and false educational certificate, which impaired the fitness for engagement as Railway servant/ workman. The workman had given an undertaking that in case false facts comes to the notice of the opposite party at any time, he would be liable to be terminated/discharged. It is also submitted that the workman was paid one month wages in compliance of Section 25F of the I. D. Act only in order to avoid the technicalities in future if any dispute is raised. It is further contended that the workman did not had the status of workman of the railway as such it was not incumbent on the railway to issue any chargesheet or to hold any enquiry. Thus, there is no violation of principle of natural justice in discharging the workman. In additional pleas the railway has contended that applications invited for the engagement of casual labour vide its office notice No. 105/E/A/ Dt. 4-12-82 wherein the minimum educational qualification was required for the post of casual labour to be VIII class passed, but the workman submitted false transfer certificate of VIII class pass which was found bogus on its verification from institution concerned. Since, the applicant was not eligible even to apply for the engagement as casual labour on the relevant dates as such neither the workman can be said to be workman of the railway nor his claim legally is considered. It is further contended that the workman has filed his claim after lapse of 14 years without explaining such inordinate delay therefore, claim deserves to be rejected on this ground only.

5. In rejoinder filed by the workman, he has only besides reiterated the earlier averments made in his statement of claim.

6. The workman did not file any document in support of his claim and on 16-12-2000 the authorized representative on behalf of the workman submitted that no oral evidence should be adduced by the workman. The management filed affidavit of Sri S. Ram, Sr. P. O. he has not been cross-

examined by the workman or his authorized representative. The management has also examined Sri Sunil Kumar Verma, Asstt. Clerk of Bappa Srinarain Vocational Inter College as witness.

7. The learned representative on behalf of the workman has submitted that the workman has been disengaged without in violation of principle of natural justice and Railway Rules. Therefore, impugned order is liable to be set aside.

8. Per contra, the learned representative on behalf of the railway has submitted that the workman has failed to adduce any oral or documentary evidence in support of his claim despite opportunity given to him. He has further contended that the management witness Sri Siya Ram, Sr. P. O. has not been cross examined by the workman side, therefore, there is no reason to disbelieve his statement. He has further contended that from the evidence of Sri Sunil Kumar Verma, Asstt. Clerk of the college concerned and documentary evidence on record it is established that the educational certificate submitted by the workman is fake document, therefore, his engagement was void-ab-initio.

9. I have given my thoughtful consideration on the submissions made by both the sides and perused the record.

10. It is well settled that if a party challenges the legality of the order, the burden lies upon him to prove illegality of the order and if no evidence is produced the party invoking jurisdiction of the court must be failed. In the instant case the burden was on the workman to set out the ground to challenge the validity the action of the management of railway. The workman has not adduced any oral or documentary evidence in support of his claim even, he has not examined himself in support of his claim, whereas the management has submitted the affidavit of Sri Siya Ram, Sr. P.O., Loco Workshop, Northern Railway, Charbagh, Lucknow who has deposed that the workman snatched the employment from the railway management by submitting the forged and bogus educational certificate wherein he has been shown as class VIII pass from Bappa Srinarain Vocational Inter College, Lucknow in the year 1975-76 on inquiring from the Principal of the concerned college, it revealed that Transfer Certificate bearing Serial No. 3076 has not been issued by the college and the name of the workman Ranjeet Singh does not appear at Serial No. 3076 in the original record. When this fact came into the notice, the engagement of the workman was recalled on the ground that certificate submitted by him is not genuine and alleged engagement was non-est appointment and void-ab-initio. He has further stated the Railway Board's letter dt. 17-5-82 does not attract to the present case as the workman had never legally and validly engaged as workman.

11. The management witness Sri Sunil Kumar Verma, Asstt. Clerk of Bappa Srinarain Vocational Inter College

has also corroborated the version of the above witness. This witness brought the original scholar register for that year 1973-74 at the time of his evidence and has stated that Paper No. (5/13) has not been issued by his institution and the endorsement on the said paper has been made by Rameshwar Prasad Shukla the then Clerk and countersigned thereon has been made by Sri Lakshmi Kant Bajpai the then Principal of the Institution Bappa Srinarian Vocational Inter College, Lucknow the witness has further stated that the disputed document 5/13 is forged as at Serial No. 3076 in original Scholar register does not find the name of Ranjeet Singh S/o Chedha Singh. In his cross-examination nothing has come on the basis of which his evidence may be discarded or disbelieved. Thus, it is well established from the evidence of the management witness and documents adduced by it that the transfer certificate of class VIII passed submitted by the workman is forged and fake.

12. Although, the workman has pleaded in his statement on oath that he had acquired temporary status but there is neither oral nor any documentary evidence to establish above fact. Mere pleadings are no substitute of proof. Thus, as a casual labour he was even not entitled for constitutional protection under Article 311. Moreover, in his application for appointment as casual labour which is admitted document, it has been categorically mentioned that in case it comes in notice that false information has been furnished, his services would be liable to be terminated.

13. In view of the above discussions it is established that the workman was engaged as a casual labour and the certificate given by him regarding educational qualification is forged and he was not even eligible for the appointment of casual worker and his initial engagement as casual labour is ab-initio-viod.

14. Accordingly, the action of the management of Uttar Railways, Lucknow cannot be said to be unjustified in terminating the services of Sri Ranjeet Singh w.e.f. 13-12-86. Resultantly, he is not entitled for any relief.

15. The reference under adjudication is answered accordingly.

16. Award as above.

AWARD

Passed on this 16th day of July, 2009

1. The Government of India, Ministry of Labour vide its Notification No. L-12012/272/2003-IR (B-1) dated

26-2-04 has referred the following dispute for adjudication by this tribunal :—

“ Whether the action of the management of General Manager (O), State Bank of Indore in not ensuring payment of wages and other benefits of the settlement according to Bipartite Settlement and paying her scale wages without DA, CCA and HRA in r/o Smt. Krishna Bai, Sweepere is justified? If not, to what relief the workman is entitled for?”

2. The case of the applicant in short is that the service conditions of the Bank employees are governed by Desai Award, Shastri Award, various other awards, Standing orders and Circulars and Bipartite settlement. The clause-18 of Bipartite settlement dated 10-4-89 deals with the wages to be paid to the part time employees. The workman Smt. Krishna Bai as per approval of the Competent authority was engaged for sweeping/cleaning work from 1-11-1997 on half scale wage. She was being paid a wage of Rs. 1375 per month i.e. half of Rs. 2750 since 1-11-1997 but the management was not paying annual increments, DA, CCA and HRA benefits which was totally unjustified, unfair and was in violation of Bipartite settlement signed between the Unions and Indian Bank Association. On these grounds, the reference be answered in favour of the workman.

3. The non-applicant/management appeared and contested the case by filing written Statement. The case of the management is that Smt. Krishna Bai was appointed as part time Sweeper at T.T. Nagar and was paid 1/2 of the scale wages for the work done by her for 13 to 19 hours in a week as decided by the Competent authority and therefore she was not entitled for the DA, CCA, HRA and other benefits permissible to regular/full time employees engaged in the bank. It is stated that the wages paid to the applicant was based on the basis of settlement arrived at between the representatives of the Unions and banking Industries and was in binding nature. Under the circumstances the applicant is not entitled the wages as has been claimed for.

4. During the course of proceedings both the parties have settled the disputes and an application alongwith photocopy of the settlement arrived at between the parties is filed praying therein to pass award in terms of settlement. I perused the settlement. It appears that the settlement is proper and legal. The following are the terms of agreement :—

- (i) That Smt. Krishna Bai shall be absorbed by the bank on part time permanent basis w.e.f. 1-8-2001.
- (ii) That Smt. Krishna Bai shall be eligible to get DA, CCA, HRA as applicable to the part time permanent employees of the bank w.e.f. 1-8-2001.
- (iii) That the other benefits like deduction of PF, Group Insurance, all kinds of leave, LFC (on prorated basis), Gratuity and Leave encashment on superannuation shall be made available w.e.f. 1-1-2006 to Smt. Krishna Bai.

- (iv) That the State Bank of Indore employees Union (MP) and Bank shall record the compromise settlement in the CGIT and the Employees Union shall have no claim with regard to the industrial Dispute bearing No. CGIT/LC/R/15/2004.

5. After considering that the parties have settled their disputes amicably, the award is passed in terms of settlement mentioned above without any costs.

6. Let the copies of the award be sent to the Government of India, Ministry of Labour and Employment as per rules.

AWARD

Dated: 21st July, 2009

The Central Government after satisfying the existence of dispute between the General Secretary, Bhartiya Koyala Khadan Mazdoor Sangh (BMS), Dist. Chhindwara (M.P.) (Party No. 1) and the General Manager (IR), Western Coalfields Limited, Nagpur (Party No. 2) referred the same for adjudication to this Tribunal vide its letter No. L. 22012/151/2000-IR (C-II) dated 14/21-11-2000 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) with the following schedule.

2. "Whether the action of the management of WCL. Pench Area, PO: Parasia, Distt. Chhindwara (MP) in not promoting Sh. A. K. Dongre, Pharmacist from I & S Gr. 'C' to Gr 'B' while superceeding by his juniors is legal justified? If not, to what relief the workman is entitled?"

3. The case came up on hearing on 9-7-2009. On that day, the Petitioner and his counsel were absent. The counsel for the respondent was present. He filed an application with a request to close the case since the Petitioner was not attending the Court from last 2 years.

4. I have perused the case as well as Rojnama of the case. It appears that the Petitioner is not attending the Court since 23rd February, 2004. It seems that it was the case for challenging the promotion of another workman superceeding him. But the Petitioner has lost the interest and he is not taking further steps in the proceeding as he is not attending the Court. The case is simply being prolonged for his presence or appearance. In fact he has already filed the Statement of Claim as well as rejoinder after filing Written Statement by the respondent. However, as he is not attending the court, there is no other go than to dismiss the reference for his default. Hence the reference is dismissed for the default for the Petitioner and negative Award has been passed. Hence this negative Award.

AWARD

Dated: 15th July, 2009

The Central Government after satisfying the existence of dispute between the General Secretary, Coal Mines Engineering Workers' Association, Chhindwara (M.P.) (Party No. 1) and the General Manager, Western Coalfields Limited, of Kanhan Area, Chhindwara (Party No. 2) referred the same for adjudication to this Tribunal vide its letter No. L. 22012/320/2002-IR (C-II) dated 9-9-2004 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of Industrial Dispute Act, 1947 (14 of 1947) with the following schedule.

2. "Whether the action of the management of Ambara Colliery of WCL of Kanhan Area in retiring Shri Hamid Hasan S/o Abid Hasan, Mechanical Fitter, prematurely w.e.f. 30-6-2002 on the basis of wrong and correct date of birth is legal and justified? If not, to what relief the concerned workman is entitled?"

3. The reference came up on hearing on 23-9-2005 the Petitioner and his counsel were present. The Petitioner has not filed statement of claim also. On 10-7-2009, the Petitioner and his counsel were absent and the Respondent present. It seems that the Petitioner is not interested in prosecuting the case after long period. I do not think it proper to continue it on the same stage years together. In the circumstances, no purpose will be served in continuing the case, hence I dismiss it for the default of the Petitioner and pass the negative award that he is not entitled for any relief. Hence this Award.

AWARD

27-7-2009

1. By order No. L-41011/31/2007-IR (B-1) dated: 11-1-2008 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between Zonal Vice President, Uttar Railway Karmchari Union. 49, Tilak Nagar, Lucknow, (Espousing case of Shri Ram Prasad Yadav) and Deputy Chief Mechanical Engineer, C & W Workshop, Northern Railway, Alambagh, Lucknow for adjudication.

2. The reference under adjudication is:

"Kya Up-Mukhya Yantrik Engineer C & W Workshop, Uttar Railway, Lucknow द्वारा Shri Ram

Prasad T. Jn. 115/M Tecnichian Grade-1 ko sanyukt varyyata soochi dinank 8-8-2000 main varishth hone par 1-8-2000 se padonati na diya jana nayayochit avam vaidh hai? Yadi nahi to kaamgaar kis raahat ko pane ka haqdaar hai?

3. The order of reference was endorsed to the Zonal Vice President, Uttar Railway Karmchari Union. 49; Tilak Nagar, Lucknow with direction to the party raising the dispute to file the statement of claim along with relevant documents, list of reliance and witnesses with the Tribunal within fifteen days of the receipt of the order of reference and also forward a copy of such a statement to each one of the oppsite parties involved in this dispute under rule 10 (B) of the Industrial Disputes (Central), Rules, 1957.

4. The order of reference was received in the Tribunal on 21-1-2008 and the Tribunal waited for the statement of claim till 8-2-2008; but no statement of claim together with documents etc. was filed. In the circumstances it was ordered for issuance of registered summons to the workman's union to file their statement of claim along with relevant documents and list of reliance and witness on 4-4-2008. The registered notice was issued but no statement of claim is received till date. Moreover the representative of the workman's union, Shri D.P. Awasthi filed applications W- 3 & 4, wherein he has menioned that the workman concerned has already been promoted on the post of M.C.M., as such, his grievances have got redressed. Accordingly, it was requested in the said applications that the case may be closed and a no claim award in the present case may be passed.

5. It is well settled that if a party challenges the legality of an order, the burden lies upon him to prove illegality of the order and if no evidence is produced the party invoking jurisdiction of the Court must fail. In the instant case the burden was on the workman's union to set out the grounds to challenge the validity of the action of the management of Railway in not promoting the workman by filing its statement of claim and to prove the said action is illegal and unjustified. The workman's union has not filed its statement of claim. Moreover, the representative of the workman's union itself has requested to pass a no claim award as the workman concerned is not contesting the present case.

6. In view of the submission of the workman's union for no claim award, the present reference order is decided as if there is no grievance left with the workman. The Trade Union's case for relief claimed stands withdrawn. No relief is required to be given to the workman concerned. The reference under adjudication is answered accordingly.

7. Award as above.

By Adv. P. Gopinath Menon.

This case coming up for hearing on 24-6-2009, this Tribunal-cum-Labour Court on 1-7-2009 passed the following.

AWARD

This is a reference made under Section 10(1)(d) of Industrial Disputes Act. The reference is :

“Whether the demand of the Canara Bank Staff Union for regularising Smt. K. Kanakamma as regular

part-time Sweeper at the Haripad Branch of Canara Bank is justified? If so, to what relief the workman is entitled and from which date?”

2. The facts of the case in brief are as follows:—Smt. K. Kanakamma, the worker in this case was engaged as casual part time sweeper in Haripad branch of Canara Bank. She was working in the leave vacancy of permanent part time sweeper Smt. Saradamma. The said employee retired on 30-11-2005. The worker continued to work without break ever since the retirement of the permanent part time sweeper. While so, the management initiated steps to fill up the vacancy by calling for list of candidates from employment exchange on 28-10-2005. The representation of the worker for absorption was not favourably considered by the management. Hence she raised the dispute.

3. According to the worker she was engaged intermittently from 3-2-1992 to 30-11-2005 and thereafter continuously up to this date. She has rendered long service. Yet she is not absorbed. It is an unfair labour practice. The bank has been following the system of absorbing casual part time sweeper whenever vacancy arose. She is eligible to be absorbed.

4. According to the management there are recruitment norms for filling the vacancy of a part time employee. The worker does not conform to the eligible criteria and hence the bank is not able to consider her absorption. The worker was first engaged in December, 1995 intermittently. The regular vacancy arose only on 30-11-2005. She is not entitled to be absorbed.

5. The only point that arises for consideration is:

Whether the worker is eligible to be absorbed?

6. The evidence consists of the oral testimony of WW1 and documentary evidence of Exts.W1 to 3 on the side of the Union and MW1 and Exts.M1 to M5 on the side of the management.

7. The point :— It is an admitted fact that Smt. K. Kanakamma was initially engaged in the leave vacancy of permanent part time sweeper Smt. Saradamma. The latter retired from service on 30-11-2005. A regular vacancy arose since then. The claimant was thereafter working continuously in the said vacancy. The position continuous even now. The process for regular recruitment was initiated by the management in 2005. The question is whether Smt. K. Kanakamma is eligible for absorption in the regular vacancy. According to the management the vacancy can be filled up only in accordance with the recruitment norms. Ext.M2 is recruitment norms. As per that the age criterion is 18-26 years with relaxation for SC/ST candidates, Ex-servicemen and physically handicapped persons. The union has no case that the worker belongs to any of the aforesaid categories to get age relaxation. The worker (WW1) admits in the cross examination that she was aged 45 at the time of

examination. She was examined on 17-12-2008. The regular vacancy arose on 30-11-2005. At that time she was aged 42 years and was thus over aged. The norms says that the Deputy General Manager has the authority to relax age criterion in case of engagement of part time employees on consolidated wages. WW1 admits in the chief examination itself that she was engaged on daily wage basis. The union has no case that she was given consolidated wages. Even for engaging on daily wage basis as casual part time sweeper that age limit is 22 years with relaxation of age for SC/ST, Ex-servicemen and physically handicapped persons. At any rate she had crossed the age bar at the time of initial engagement intermittently and on the date when the regular vacancy arose on 30-11-2005. As per norms the educational qualification is 5th standard as far as possible. If no such candidate is available for appointment then persons who have not passed 9th standard can also be considered. The worker had passed 6th standard and thus was over qualified. But the management has the discretion to consider candidates who have not passed 9th standard. Yet the worker cannot be considered for absorption due to age bar. However circular dated 5-10-2000 provides for norms relaxation. The opening para relevant portion reads :— "As per the procedure in vogue, the vacancy of the part time employee in a branch, is being filled by considering the candidature of the person engaged in the leave vacancy of the regular vacancy, provided, he/she has worked for a sufficiently long period of time and conforms to the norms, to be recruited as a part time employee."

8. As per recruitment norms as already mentioned (Ext.M2) the Deputy General Manager has the authority to relax age criterion. The worker has been working for a very long time over 10 years, sometimes intermittently and from 30-11-2005 continuously as part time sweeper. The bank has no case that her work is not satisfactory. The bank has not imputed any misconduct on her part so far. She is now aged 49 years and she cannot seek employment elsewhere at this juncture. Nobody else had worked in the regular vacancy of part time sweeper. Therefore it is only fair and proper to consider her candidature for absorption. There is no disqualification as regards educational qualification.

9. However it was contended by the learned counsel for the management that as per recruitment norms the selection has to be made from among candidates sponsored by employment exchange. In fact, by Ext.M1 dated 28-10-2005 the management had called for a list of 10 candidates from employment exchange. But as per norms regarding method of appointment it is mentioned that for filling up part time employee vacancies at rural/semi-urban branches it is not necessary to approach employment exchange for sponsoring candidates. The claimant is working in Haripad branch which is admittedly

a semi-urban branch (MW1 cross examination). Hence it is not necessary to call a panel of candidates from employment exchange to fill up the vacancy. Besides as per S.3(d) of Employment Exchanges (Compulsary Notification of vacancies) Act, 1959 the provisions of the Act do not apply in relation to vacancies in any employment to do unskilled office work. Thus it is clear that the management is not bound to call for a list of candidates from employment exchange to fill up the vacancy of part time employees (unskilled). The attempt to appoint a general candidate from outside is unfair.

In the result an award is passed finding that the demand of the union for regularisation of Smt. K. Kanakamma in the post of part time sweeper in Haripad Branch of Canara Bank is legal and justified and she is entitled to be regularised in service by relaxing the age criterion w.e.f. 30-11-2005 (when the regular vacancy arose) with consequential benefits.

The award will come into force one month after its publication in the official gazette.

Dictated to the Personal Assistant transcribed and typed by her, corrected and passed by me on this the 1st day of July, 2009.

AWARD

This case was taken in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in 1997

(3) LLJ Supplement, page 1141 in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. The Petitioner filed this petition against the Respondents questioning the action of the Respondents in terminating him. He submitted that he was appointed as Messenger on 1-11-89 in SBI Hanumakonda Branch of the respondent bank. He worked in different spells from 1-11-1989 to 9-8-1991 in total 161 days. He was empanelled for regularization in the year 1991 and was absorbed as messenger in 1992. He was terminated orally on 31-3-1997. He prays this Court to direct the Respondent to reinstate him as a regular employee with all consequential benefits.

3. As against this, the Respondents filed a counter denying the allegations in the claim statement of the Petitioner. It is submitted that the Petitioner was never appointed as messenger/sweeper-cum-water boy/watchman by the respondent and never terminated from service on 31-3-1997. It is further submitted that under exigencies and in leave vacancies bank used to take temporary sub-staff and further explained the stipulated rules, agreements and settlements under which the temporary employees were categorized. According to categories, panels were prepared. It is submitted that the petitioner has not worked for the number of days as shown by him in his claim statement. As such petition is liable to be dismissed.

4. Parties were directed to produce evidence in their support their respective contentions. Petitioner workman filed his affidavit on 9-5-2005. Thereafter, the Petitioner did not appear before this court for cross examination and for marking of the documents. But he did not turn up for cross examination. Hence, petitioner's evidence is closed.

5. On 5-2-2009 none responded from the side of the petitioner while Respondent's counsel is present. Petitioner is not attending to the case for about more than three years, as such, Petitioner's evidence is closed. Hence, Nil Award is passed in absence of evidence.

Award passed accordingly. Transmit.

referred the following dispute under section 10(1)(d) of the I.D. Act, 1947 for adjudication to this Tribunal between the management of M/s. ESS KAY Shipping Ltd. and their workman. The reference is,

SCHEDULE

“Whether the demand of the Visakhapatnam Port & Dock Mazdoor Sangh for payment of retrenchment compensation etc. to their member workmen viz. S/Shri V. Simhachalam and 7 others, Ex Rowing Boat Workers (as per the list), according to their eligibility, by the management of M/s. ESS KAY Shipping Ltd., Visakhapatnam is legal and/or justified? If not, to what relief the concerned workmen is entitled?”

The reference is numbered in this Tribunal as I.D. No. 17/2006 and notices issued to the parties.

2. The Petitioner union filed claim statement stating that the Petitioner workmen are Rowing Boat workers ferrying the personnel and labour engaged by the management. It is submitted that the Dock Labour Board itself is providing transport facility to its employees due to which the Petitioner workmen become jobless and they were not provided with any job nor any compensation. It is prayed to direct the management to pay retrenchment compensation to each individual applicant.

3. The Respondent filed counter. It is submitted that the Petitioner workmen are not the employees working under the Respondent and there is no employer and employee relationship between the applicant workmen and the Respondent and hence, the petition is not maintainable.

4. On 22-4-2009, when the case called out for evidence of Petitioner at Visakhapatnam camp court, Petitioner called absent while Respondent's counsel is present. Petitioner has not filed evidence affidavit, as such, Petitioner's evidence is closed as he is not attending this case for more than 2 years. Hence, Nil Award is passed in absence of evidence.

Award passed accordingly. Transmit.

AWARD

Smt. Shanti Devi was engaged by Indian Bank on 1-4-92 for sweeping its extension counter, located in a small area of 650 Sq.ft. at Rohtak, only on need and casual basis. She used to work there only for a period of 30 minutes per day and was paid @ Rs.175 per month. Being a casual employee, her duties were less than 3 hours per day, hence she was not entitled to wages even of a part time employee. Her services were not engaged through employment exchange, by way of an interview and approval from Zonal authorities of the Bank. She worked on that extension counter till 28-2-2002. Thereafter she started sending her daughter-in-law to sweep the premises, who also stopped

coming after October, 2002. In January, 2003 Shri Attar Singh, her husband worked on casual basis at the said extension counter. She approached the bank and asked for payment of her wages @ Rs. 440 pm. When her request was turned down, she raised a dispute before the Conciliation Officer. When conciliation proceedings failed, appropriate Government referred the dispute to this Tribunal vide order No. L-12012/43/2004-IR(B-II) dated 29-09-2004 with following terms:

“Whether the action of the management of Indian Bank, Rohtak, in terminating the services of Smt. Shanti w/o Attar Singh, part time sweeper w.e.f. 1-8-2002 is just and legal? If not, to what relief workman is entitled to?”

2. Claim statement was filed by Shanti Devi, pleading that she was working as part time sweeper with Indian Bank since 1992. Her work and conduct was not satisfactory. She was paid wages @ Rs.175 pm. Though she worked for more than 13 years with the Bank, yet her salary was never increased. Once she made a request to increase her salary, which fact annoyed the authorities. Her services were illegally terminated on 1-8-08 without assigning any reason. Neither notice was served upon her nor pay in lieu of notice was given to her. She was not given retrenchment compensation. Her juniors were working in the office of the management on the same post. The act of the management in terminating her services amounts to unfair labour practice. She claims reinstatement in service with full back wages and continuity of service.

3. Contest was given to her claim statement pleading therein that services of Smt. Shanti Devi were utilized by the Bank at its extension counter located at Rohtak, which counter was catering needs of a small number of clients. She was engaged as need based casual employee, who performed duties for 30 minutes in a day. In 2001 she raised a demand that her wages be paid @ Rs. 440 pm, in pursuance of circular No.71-97-98 dated 6-1-98. It was made known to her that timings of her work was less than 3 hours a day and as such she was not entitled to claim wages at Rs. 440 pm. While rendering her services at the said extension counter, she was working in some houses in the locality. On account of old age and illness she was not able to attend to her duties. She started sending her daughter in law, namely, Smt. Rani, who worked with the bank till October, 2002. Subsequently her husband, namely, Attar Singh started working with the bank on casual basis. She stopped coming to her duties. Her services were never terminated by the Bank. Since she had abandoned her services, she was not entitled to any notice or pay in lieu thereof. It is denied that she was entitled to retrenchment compensation. Management projects that her claim of reinstatement with continuity of service and back wages is not justified.

4. On 19-6-2009 Surat Singh appeared and made a statement that Smt. Shanti Devi had expired. It was ordered that legal representative of deceased workman may take

steps for their substitution. Thereafter neither substitution was sought by anyone for the deceased workman nor anyone attended the proceedings. It is evident that after death of Shanti Devi, her legal representative opted not to participate in the proceedings.

5. Parkash Chander, Manager, Rohtak Branch of Indian Bank filed an affidavit swearing therein that Smt. Shanti Devi was never appointed as part time sweeper. She was engaged as casual employee on need based situation. Her name was not entered in the rolls/attendance register of the management. There was no question of her availing leave, provident fund, ESI and Medical facilities. Out of facts sworn by Shri Parkash Chand and those reflected in the written statement, it came to light that Shanti Devi was engaged as a casual employee on need basis. She was not even a part time employee of the Bank. Her services were not availed by following norms, procedure and rules for appointment of a permanent or part time employee.

6. No evidence was adduced either by the workman, during her life time or anyone on her behalf thereafter to substantiate the claim put forward. On the other hand Shri Parkash Chander deposed that she was engaged as casual employee on need based situation. Management projects that she used to perform her duties only for 30 minutes in a day. Question for consideration comes as to whether Shanti Devi was a workman. Definition of word "workman" is given in clause (s) of Section 2 of the Industrial Disputes Act, 1947 (in short the Act) in following terms :

- (s) "workman" means any person (including an apprentice) employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward, whether the terms of employment be express or implied, and for the purposes of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute, but does not include any such person.—
- (i) who is subject to the Air Force Act, 1950 (45 of 1950), or the Army Act, 1950 (46 of 1950), or the Navy Act, 1957 (62 of 1957); or
- (ii) who is employed in the police service or as an officer or other employee of a prison ; or
- (iii) who is employed mainly in a managerial or administrative capacity; or
- (iv) who, being employed in a supervisory capacity, draws wages exceeding one thousand six hundred rupees per mensem or exercises, either by the nature of the duties attached to the office or by reason of the powers vested in him, functions mainly of a managerial nature.

7. Definition of workman contain three limbs. First limb of the definition gives statutory meaning of the word and determines a workman by reference to a person (including an apprentice) employed in an industry to do any manual, unskilled, skilled, technical, operative, clerical or supervisory work for hire or reward. The second limb is designed to include a person—(i) who have been dismissed, discharged or retrenched in connection with an industrial dispute, or (ii) whose dismissal, discharge or retrenchment is led to an industrial dispute, within the ambit of workman. However, the third part of the definition excludes the categories of persons specified in clause (i) to (iv) from the expression "workman". The definition does not state that a person, in order to be a workman should have been employed in a substantive capacity or on temporary basis in the first instance or after he is found suitable for the job after a period of probation. In other words, every person employed in an industry irrespective of his status-temporary, permanent or probationary—would be a workman. The expression "employed" has at least two known connotations, that is, a relationship brought by express or implied contract of service in which employee render service for which he is engaged by the employer and the latter agrees to pay him in cash or kind, as agreed between them or statutorily provided. It discloses a relationship of command and obedience. Reference can be made to the precedent in Food Corporation of India's case (1985) (2) (LLJ4).

8. A distinction is also drawn between contract for service and contract of service. In one case the master can order or require what is to be done, while in the other case he cannot only order or require what is to be done, but how itself it shall be done. The distinction is—under a contract of service, a man is employed as a part of the business and work is done as an integral part of the business, while under contract for service, his work, although done for the business, is not integrated into it but is only assessor to it. But the test of being a servant does not rest now a days on submissions to orders. It depends on whether person is part and parcel of the organisation.

9. Mere existence for a contract of service would not confer a relationship of employer and employee until the employer is in a position to control the work of the employee. A master is one who not only prescribes to the workman and of his work, but directs or at any moment may direct the means also, or, as it has been put, "retains the power of controlling the work", a servant is a person subject to the command of his master as to the manner in which he shall do his work. An independent contractor is one who undertakes to produce a given result but so that in the actual execution of the work he is not under the order or control of the person for whom he does it, and may use his own discretion in things not specified before hand.

10. Here in the case the management bank used to prescribe to Smt. Shanti Devi the end of her work. She used

to perform the job herself and many a times-used to send her daughter-in-law to perform the job. That fact makes it clear that the management never retained the power of controlling work of Smt. Shanti Devi. She was not under the command of the management as to how she will sweep the extension counter. The Management only prescribed work to her to the effect that extension counter would be swept. That work was performed by her either personally or through her daughter-in-law. It is evident that the matter in which sweeping work was to be performed was never prescribed or directed by the management. Consequently it is emerging that there was a contract for service in between Smt. Shanti and the management. It was not a contract of service. All these facts are suggestive that Smt. Shanti Devi was not a workman within the meaning of definition provided under clause (s) of Section 2 of the Act.

11. When there was no contract of service between Smt. Shanti Devi and the management, under these circumstances, it cannot be said that management terminated her services. Under these circumstances there is no necessity to adjudicate justification and legality of action taken by the management. Shanti Devi has entered into a contract for service with the management and in that eventuality she was not entitled for relief of reinstatement. Even otherwise Smt. Shanti Devi is no more in this World. Resultantly relief of reinstatement of her service has become infructuous also. An Award is accordingly passed. It be sent to the appropriate Government for publication.

AWARD - PART-I

1. The Government of India, Ministry of Labour by its Order No. L-31011/15/2003-IR(B-II) dated 29th September, 2003 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication :—

“Whether the action of the management of M/s. BCD Agency Pvt. Ltd., Mumbai by terminating the services of Shri Dilip Adhar Kumar Adhikari, Custom Clerk w.e.f. 30-11-2002 is justified or not? If not, what relief the workman, Shri Dilip A. Kumar Adhikari is entitled to?”

2. Claim Statement is filed by the concerned workman at Exhibit 9 making out the case that, he joined 1st Party as a Customs Clerk and raised disputes about his termination effected by the Management with effect from 30-11-2002.

3. The said dispute was raised by the concerned workmen with the Assistant Labour Commissioner (C), Mumbai, with a demand of reinstatement with back wages who sent failure report to Government of India, Ministry of Labour and in turn Government of India, Ministry of Labour, New Delhi, sent the reference for adjudication about termination and demand of 2nd Party for reinstatement with back wages.

4. According to 2nd Party show cause notice dated 21-2-2002 was issued by the Director of M/s. BCD Agency Pvt. Ltd. alleging that, concerned workman had altercation with some staff members viz. Mrs. Shaila Mahadik on 20-2-2002 for not getting shipment from IPCA due to his late arrival, misbehaviour and non-co-operation. It was also alleged that, as a result of it original AR 4S and mate receipts belonging to M/s. Taurus Chemicals and M/s. Lyka Exports Ltd. which were kept in the lockers was found missing. It was also alleged that, the said were not meeting drivers promptly inspite of repeated instructions.

5. Concerned workman denied all the allegations by his reply dated 6th March, 2002 but the said was not considered by 1st Party. He states that, 1st Party decided to start with the enquiry. Concerned workman raised the dispute about venue of the enquiry place. It was not considered by the 1st Party and on that, he requested 1st Party to keep enquiry proceeding in abeyance till issue of venue is decided by competent authority. It is alleged that, the enquiry was not kept in abeyance and witnesses were examined in the absence of the concerned workman. It is alleged that, he was made to sit idle in 1st Party's office since 18-1-2002 to 20-2-2002 and show cause notice dated 21-2-2002 was issued to him and some spurious charges were leveled against him of flimsy nature. Enquiry was made in haste to victimize the concerned workman. There was no truth in the allegations leveled against the

concerned workman, without giving opportunity, without following the principles of natural justice Enquiry Officer concluded the enquiry and held the concerned workman guilty of the charges leveled against him. He states that, the Enquiry Officer was bias. He himself was recording objections on behalf of the Management. Representative though actually did not raised objection said were raised by Enquiry Officer. Even he did not wrote statement of witnesses properly. Though witnesses of Management were required for cross but said were not made available to the concerned workman and his Defence Representative. The finding given by the Enquiry Officer is perverse. So it is prayed that, the enquiry conducted be declared null and void with findings perverse. He also request to reinstate him with benefit of continuity of services and back wages.

6. Said is challenged by the Management by filing written Statement at Exhibit 22 stating that, false case is made out by 2nd Party about enquiry and finding given by the Enquiry Officer. It is stated that, full opportunity was given to the concerned workman. It is stated that, witnesses were made available to the concerned workman for cross. It is stated that, Enquiry Officer considered the findings and then gave finding holding the concerned workman guilty of the charges leveled against him. It is stated that, enquiry was fair and proper and finding not perverse. It is stated that, it is the 2nd Party workman who is responsible for all that and deserve punishment as given which he not challenge.

7. In view of the above pleadings Issues were framed at Exhibit 23. Out of them issue of enquiry and finding are taken as preliminary which I answer as follows:

ISSUES	FINDINGS
1. Is enquiry fair and proper?	No
2. Is finding perverse?	Yes

REASONS:**ISSUE NOS. 1 & 2 :**

8. The concerned workman challenged the enquiry and finding of it stating that, Enquiry Officer was bias. He did not give fair opportunity to the concerned workman and opportunity to cross-examine the witnesses of the Management and witnesses though called were not made available for cross. Enquiry Officer was bias and was recording the objections on behalf of the Management representative though actually representative of the Management did not do it. The finding given by the Enquiry Officer is perverse. To prove that, 2nd Party examined himself by filing his an affidavit at Exhibit 24 in lieu of his examination in chief, where he states that, the allegations of altercation with staff members most particularly with Mrs. Shaila Mahadik on 20-2-2004 was leveled against the concerned workman under the guise of misbehaviour. It was also it was alleged that, due to the irregularity of the

concerned workman, in attending duty the receipts belonging to Mis. Taurus Chemicals and M/s. Lyke Exports Ltd. were not attended in time and as such said customers received loss. He denied all these allegations and even he replied to it by his letter dated 6-3-2002. He states that, it was not considered by the Enquiry Officer and enquiry was held without giving him an opportunity. According to him enquiry was held without following the principles of natural justice and the finding given by the Enquiry Officer is perverse.

9. Though concerned workman on oath says like that, it is not disputed by 1st Party by cross examining the witness though matte was kept for cross of the concerned workman on number of occasions. 1st Party did not take care to attend the dates and cross examine the workman to support its action and to justify it. Even there was no request to recall the witnesses and permit concerned workman to cross examine the witnesses. However, there was one application dated 14-8-2008 i.e. after number of dates where 1st Party's Advocate requested to permit him to cross examine the 2nd Party workman. However, that application was not yet properly pursued by the 1st Party and said remained unattended. Thereafter 2nd Party filed written arguments at Exhibit 28 repeating the same story and evidence as reproduced above.

10. All this reveals that, the witnesses examined by 1st Party were not made available for cross of the 2nd Party or his representative. Enquiry proceeding was not filed by the 1st Party to justify that, the enquiry was fair and proper and the finding not perverse. In fact burden is on the 1st Party to show that, enquiry was fair and enquiry finding not perverse. When concerned workman alleges that, the enquiry was farce and finding perverse. Still he try to produce some documents with a list at Exhibit 14 in form of copy of enquiry proceeding. However, it is not explained how these pages are concerned with which witness and how it can help in holding, enquiry not fair and proper. All this reveals that, there is no systematic recording of proceedings of recording of inquiry by the Enquiry Officer to show that, enquiry was fair and proper and finding not perverse.

11. Concerned workman alleges that, enquiry was not fair and proper and finding given, is perverse. To justify that, 1st Party did not step in witness box neither called Enquiry Officer to substantiate his decision of holding enquiry and giving finding in favour of the Management. Against that, concerned workman by filing affidavit claim that, enquiry was not fair and proper and finding perverse. In the absence of evidence of the 1st Party on that point, I conclude that, enquiry is not fair and proper and finding perverse. So I answer these Issues to that effect.

12. Considering all this I conclude that, enquiry conducted against the concerned workman was not fair and proper and finding perverse.

13. Now burden shifts on 1st Party to justify its action of termination and I direct 1st Party to justify its action of termination. Hence, the order:

ORDER

- (a) Enquiry not fair and proper,
- (b) Finding perverse,
- (c) 1st Party is directed to justify its action of termination.

By Adv.P.Gopinath Menon.

This case coming up for hearing on 24-06-2009, this Tribunalcum-Labour Court on 01-07-2009 passed the following.

AWARD

This is a reference made under Section 10(1)(d) of Industrial Disputes Act. The reference is :

"Whether the demand of the Canara Bank Staff Union for regularising Smt.Kumri Jayanthi as regular part-time Sweeper at the Attingal branch of Canara Bank is justified? If so, to what relief the workman is entitled and from which date?"

2. The facts of the case in brief are as follows:- Smt.Kumari Jayanthi, the worker in this case was engaged as casual part-time sweeper at Attingal branch of Canara Bank on 29-3-2004. She continued to work as such. While so, the management attempted to recruit part-time sweepers for permanent appointment. The worker then raised an industrial dispute. Hence this reference.

3. According to the management the worker was engaged as casual part-time sweeper on 29-03-2004. She was working only intermittently and not continuously. The management had initiated steps for regular recruitment as per recruitment norms by calling a panel of candidates from employment exchange. But the process got delayed. The worker did not conform to the eligibility criteria and hence her candidature could not be considered for absorption. The selection of the employment exchange sponsored candidates was conducted in 2006. Since the worker raised a dispute no appointment was made out of the selected candidates. The worker is not entitled for absorption. The management has not violated any of the provisions of Industrial Disputes Act.

4. In the light of the above contentions the only point that arises for consideration is :

Whether the worker is entitled for absorption?

The evidence consists of the oral testimony of WW 1 and 2 and Exts.W1 to 3 on the side of the union and MW1 and Exts. M1 to M4 on the side of the management.

5. The point:—The Attingal branch of Canara Bank was started on 29-3-2004. On the same day the worker Smt.Kumari Jayanthi was engaged as casual part-time sweeper. She continued to work. The management has no case that any other sweeper was engaged. While so, on 21-06-2004 the management obtained a list of candidates from employment exchange for the purpose of recruitment to the post of part time sweeper. It is evidenced by Ext. M1 (2nd page). A selection was made on 06-02-2006 (Ext.M 1

page-1). Meanwhile the worker raised a dispute. There was conciliation before the Assistant Labour Commissioner and Ext.W3 is the minutes of conciliation proceedings held on 23-5-2006. All along the worker was being engaged as casual part-time sweeper in the branch.

6. According to the management appointment to the post of regular part-time sweeper can be made only in accordance with recruitment norms for part-time employees. Ext. M2 is the recruitment norms. As per that the age limit for regular appointment as part-time sweeper is 18-26 years with age relaxation for SC/ST candidates, Ex-servicemen and physically handicapped persons. But the age criteria can be relaxed by Dy.General Manager of the circle in case the engagement of part-time employee is on consolidated wages. The worker admits that she was aged 43 at the time of her examination in Court on 13-2-2009. Regular vacancy of part-time sweeper arose on 29-3-2004 when the branch started functioning. That means the worker was aged 38 years in 2004. Since the maximum age limit is 26 years she was ineligible for recruitment. There was no possibility for relaxation of age by Deputy General Manager since she was paid on daily wage basis and not on consolidated wage basis. The union has no case that she belongs to SC/ST category or handicapped. Even if any of the relaxation mentioned in the recruitment norms is given still she would cross the age limit of 26 years. Regarding the educational qualification Ext.M2 norms provides that the maximum qualification is 5th standard and if such suitable persons are not available other candidates who have not passed 9th standard can be considered. WW1 admits that she had studied up to 10th standard and failed in the examination.

7. According to the union no recruitment norms are followed by the bank and Ext. M4 circular provides for consideration of casual part-time sweepers for absorption disregarding the norms. Ext. M4 is a circular dated 5-10-2000. The first paragraph of the circular says that when vacancy of part-time employee in a branch is filled up, the candidature . of the person engaged in the leave vacancy of regular employee or in the regular vacancy, has to be considered first provided such person has worked for a sufficiently long period and conforms to the norms. In deserving cases, the norms can be relaxed for engaging such persons in regular vacancy. But as per Ext. M2 Recruitment Norms of 1993 the relaxation is applicable to age only and not educational qualification. Even if the age is relaxed the educational qualification is higher than prescribed in the norms. The claimant worked from 2004 onwards and the steps for filling up the vacancy was taken by the management in 2004 itself. In the list provided by the employment exchange the name of the worker was not included though she had registered her name long back in the employment exchange. Going by the recruitment norms it cannot be said that there is any violation of the norms in not considering the candidature of the worker for absorption. She is still working. Whether she has worked

continuously exceeding 240 days in a calendar year does not call for consideration in this reference. Suffice to say that the worker is ineligible for absorption and hence she is not entitled for any relief.

In the result an award is passed finding that the demand of the union for regularisation of Smt. Kumari Jayanthi as Part-time Sweeper is not legal or justified and the worker is not entitled for any relief. But it is made clear that the observation and the findings of this court shall not stand in the way of the management in continuing her in service as casual Part-time Sweeper as well as relaxing the norms.

The award will come into force one month after its publication in the official gazette.

Dictated to the Personal Assistant, transcribed and typed by her, corrected and passed by me on this the 1st day of July, 2009.

Mumbai, dated the 12th May, 2009

AWARD PART-II

The Government of India, Ministry of Labour by its Order No. L-12011/108/2004/IR(B-II) dated 15-9-2004 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication :

"Whether the action of the management of Bank of India Mumbai, South Zone, Mumbai in imposing the punishment of removal from service with superannuation benefits on Shri V.M. Parkhe w.e.f. 30-9-2002 is justified? If not, what relief the workman Shri V.M. Parkhe is entitled to?"

2. Claim statement is filed by General Secretary of the Bank of India Staff Union at Ex.-6 making out of that concerned workman Vasant Parkhe was put permanent staff member of the Bank and served for 30 years with unblemished record. During the relevant time, he was working as Head Cashier.

3. Charge Sheet was served on 10-12-2001 alleging that, he has not taken precaution while accepting cheques without indemnity and endorsement. As said cheques were duty drawback refunds issued to third party which were drawn on Reserve Bank of India, said cheques were accepted by the concerned workman by violating Bank's rules. In fact, enquiry was conducted by the Bank which was completed in haste and was farce. Bank and Inquiry Officer completed it just to remove the concerned workman from the employment. No Principles of Natural Justice was followed while conducting said enquiry. It is alleged that findings of Inquiry Officer are perverse. Inquiry Officer did not consider the evidence properly and used discretion to terminate concerned workman from employment which is nothing but exercising power colourably. So it is submitted that, the enquiry be held not proper and finding perverse. It is also prayed that, punishment awarded of removal on the basis of enquiry be set aside with direction to Bank to take concerned workman in the employment with back wages and continuity of service.

4. This is objected by first party Bank by filing Written statement at Ex.-7 accepting status of concerned workman as Head Cashier and his employment with Bank of 30 years. Bank has further made out case that, concerned workman had accepted 27 cheques crossed A/c payee to the order totaling Rs. 1,79,53,833. Said cheques were accepted by the concerned workman issued by the customs authorities and were drawn on Reserve Bank of India on which Bank was to issue refund of duty drawn back to the concerned customer. The cheques accepted by the concerned workman were A/c payee cheques for large amount to 3rd party accounts. Said Cheques were accepted by concerned workman without obtaining indemnity from the account holders and the accounts in which the cheques were collected cannot be termed as accounts of valued customers of old standings as those accounts were opened recently i.e. in 1997-98. Negligence was shown by the concerned workman by not taking care of it and as such, he was responsible for the loss of Bank. So charge of misconduct within meaning of clause 19.5 (j) of Bipartite Settlement was leveled against concerned workman leveling charge of "doing any act prejudicial to the interest of Bank or gross negligence involving or likely to involve the Bank

in serious loss". It is further stated that, concerned workman was informed by memorandum dated 10-12-2001 that Inquiry Officer will be appointed as per Bi-partite settlement and enquiry will be conducted to which he can appear with his defence representative. He was also asked to submit his explanation on the charges. Bank produced evidence and produced witnesses. Even he was permitted to defend himself. Accordingly, enquiry was conducted where he was represented by Defence Representative, Marathe. Both participated in the enquiry. Management examined one Mayekar who was cross examined by defence representative. Documents were produced by the Management, which were available for scrutiny of workman. After which Inquiry Officer recorded findings. He was invited to give his remarks on the proposed punishment where punishment of removal was confirmed. He was allowed to challenge said before punishment Disciplinary Authority. He took chance of it. However Disciplinary authority was firm on the decision of removal of concerned workman and punished concerned workman accordingly. So it is case of the management that, since concerned workman found guilty of charges leveled against him, punishment of dismissal is just and proper and does not require to be interfered.

5. This written statement was replied by second party by filing rejoinder at Ex-8 making out same type of case as pleaded in the claim statement.

6. In view of above pleadings, issue of fairness of enquiry and findings of Inquiry Officer were decided as preliminary issues by passing Part-I award on 10-01-2008.

7. Now remaining issues i.e. justification of action of first party of removing second party by giving benefit of superannuation survive which is answered as follows:

Issues	Findings
(iii) Whether management justified its action of removal of second party from its service with superannuation benefits?	Yes
(iv) What order?	As per order below.

Reasons

Issue no. 3:

8. Charge against concerned workman was leveled by issuing charge sheet dated 10-12-2001, that without taking precaution, second party workman accepted cheques without indemnity and endorsement of the customers. It is alleged that, said cheques were duty draw back issued to the third party which were drawn on Reserve Bank of India. It is alleged that, said cheques were accepted by the concerned workman by violating bank rules. On that enquiry was conducted by giving fair opportunity to concerned workman. No doubt concerned workman disputed the enquiry alleging that, enquiry was conducted in haste and was not conducted by following principles of

natural justice. He also challenged the findings of Inquiry Officer saying that, finding is perverse. On both issues evidence was recorded of the concerned workman and management and after hearing both this Tribunal observed enquiry fair, proper and findings not perverse by passing Part-I award on 10-01-2008.

9. On the basis of said findings, disciplinary authority decided to terminate services of the concerned workman Shri V.M. Parke w.e.f. 30-09-2002 by giving benefit of superannuation. That means, on the basis of said finding disciplinary authority decided to discontinue the concerned workman but taking care that he will get benefit of superannuation. That means first party decided to give benefit to the concerned workman as if he retired by attaining age of superannuation and observed he is entitled for benefits of superannuation. According to second party, said punishment is harsh one whereas case of first party is that considering the charges proved against concerned workman, first party taken care that concerned workman should not suffer economically after termination and treated as terminated on attaining age of superannuation as an employee.

10. Here as stated above, charge was levelled against concerned workman that, he did not follow the norms of banking while accepting cheques of the customers drawn on Reserve Bank of India. It was alleged that, said workman violated Bank rules and in the enquiry said charge was proved. As far as finding of this Tribunal on point of enquiry and on the point of findings of Inquiry Officer is concerned, this Tribunal observed enquiry was fair and proper and finding not perverse which was not challenged by concerned workman till this moment. That means enquiry and the findings given on enquiry still exist and we have to carry forward the defence of the concerned workman from that stage only.

11. In the affidavit filed at Ex-24 after Part-I award, concerned workman tried to explain as to how said incident happened. In the affidavit he states that, since he was Head Cashier and since he was the Head of the Cash Department, he was not having time to verify all the cheques and follow the formalities laid down by the bank while attending such a transaction. That means by said averment in the affidavit, rather he admits the incident and the charges levelled against him and by said he tried to explain as to how said mistake took place. In the affidavit he says that, he did not commit misconduct and prayed the right punishment. So the explanation given by concerned workman in the affidavit is about irregularities happens. In the cross he admits that, he was served with charge sheet.

12. Written submissions filed by concerned workman at Ex-28 and by first party at Ex-29 with citations. Written Arguments submitted by second party is nothing but describing in what way said incident took place and as to why he was blamed for the said incident. The advocate of the first party by referring citation published 1996 (II) LLJ 194 submits that, when charges are proved, where charge

of misconduct was levelled, in that case it is not within the jurisdiction of the Court to interfere the quantum of punishment. He also place reliance on the citation published in 2007 (I) LLN 780 to show that, though loss is not occurred to the Bank as a result of the act of concerned workman, he cannot be excused from the charges. He also place reliance on citation published in 2003 (I) LLN 843 where it is observed that, without showing how punishment is disproportionate, workman is not entitled to seek benefit. He also place reliance on citation published in 2003 (I) LLN 825 where it was observed that when misconduct is proved, Court cannot interfere with quantum of punishment. Besides it is observed that, Bank Officer is required to exercise higher standards of honesty and integrity. This officer was dealing with money transaction of the bank as Head Cashier and in that case he was expected to take all possible steps to discharge his duty with utmost integrity, honesty, devotion and sincerity. Other case laws produced by first party are not relevant to the issues at all.

13. As stated above, concerned workman was Head Cashier and was handling money transactions. In the affidavit, as stated above, he tried to explain in what circumstances said incident occurred. It should be noted that, Bank has decided to remove concerned workman but taking care that he should get benefit of his removal as if retired by attaining age of superannuation means, Bank treated concerned workman as served till age of superannuation and gave benefit of superannuation. This means that, Bank has considered in what situation this incident occurred and punished taking care of his back record. Even it appears that, Bank has considered the workload and the period in which incident took place. So from all these it reveals that, bank has considered it as misconduct by giving due consideration in what circumstances it happened and tried to protect concerned workman treating him as retired after attaining age of superannuation permitting him to take benefit of superannuation. It is not shown by second party that, how said punishment is harsh? It is also not shown how it is not legal or how it is not as per the provisions which are applicable to the concerned workman?

14. When charged is proved which was of gross misconduct then it is the prerogative of management to give punishment. Here Management has decided to remove concerned workman by taking care that, he should not receive financial loss permitting him to take benefit of superannuation.

15. So if we consider all these coupled with case made out by both, I am of the view that there is no point in the case of second party on punishment and I answer above issue to that effect and passes the following order:

AWARD

The Government of India, Ministry of Labour by its order No. L-34011/5/2005-IR(B.II) dated 19-12-2005 referred the following dispute under section 10(1)(d) of the I.D. Act, 1947 for adjudication to this Tribunal between the management of M/s. Ripley & Company Ltd., and their workman. The reference is,—

SCHEDULE

"Whether the demand of the Visakhapatnam Port & Dock Mazdoor Sangh for payment of retrenchment compensation etc. to their member workmen viz. S/Sh. V. Pydithalli and 3 others, Ex-Rowing Boat Workers (as per the list), according to their eligibility, by the management of M/s. Ripley & Company Ltd., Visakhapatnam is legal and/or justified? If not, to what relief the concerned union is entitled?"

The reference is numbered in this Tribunal as I.D. No. 19/2006 and notices issued to the parties.

2. Petitioner union filed claim statement stating that the workmen are the rowing boat workers and they are designated as Tindal or Khallasi and they were employed as and when a ship is berthed. It is submitted that they were removed without any notice or compensation. Hence, it is prayed to direct the Respondent to pay retrenchment compensation to each individual applicant in accordance with the length of their service etc.

3. Counter has been filed by the management. It is submitted that the management used to engage workers on casual basis and used to pay daily wages as per the circulars of the Ministry of Shipping. It is further submitted that at no point of time the applicant workmen worked with the Respondent management and as such the claim is not maintainable. Hence, the I.D. be dismissed.

4. On 19-3-2009, both parties called absent. The case is fixed for Petitioner's evidence but Petitioner is not attending to this case for last more than a year as such, his evidence is closed. Respondent is also not attending the case their evidence is also closed. Hence, a Nil Award is passed in absence of any evidence.

Award passed accordingly. Transmit.

AWARD

Smt. Bhagwati was appointed as part time sweeper by the Traders Bank Limited, Basant Gaon Branch, Delhi, in the year 1982. In 1988 the Traders Bank Limited was merged with Bank of Baroda. All employees of Traders Bank Limited, including Smt. Bhagwati were taken on the roll of Bank of Baroda. She was paid half of the time scale, at initial stage, without any annual increment. She was not granted any leave, medical aid, provident fund benefits, leave fair concession and other benefits. She sought regularization of her services, but her request was declined. A dispute was raised before conciliation officer. since conciliation proceedings failed, the appropriate government vide its Order No. L-12011/50/2005-IR-(B-II) dated 31-01-2006 referred the dispute to this Tribunal for adjudication with following terms:

“Whether the claim of the Bank of Baroda Employees Union that Smt. Bhagwati has been engaged as a temporary Safai Karamchari on half of the scale wages by the management of Bank of Baroda from

May, 1988? If so whether the claim of the union for regularization of service by the bank management is legal and justified and what relief is the disputant concerned entitled to?”

2. Claim statement was filed by the workman pleading that she was appointed as part time sweeper in Traders Bank Limited, Basant Gaon Branch, Delhi in the year 1982. On merger of Traders Bank Limited with Bank of Baroda in 1988 her services were transferred to Bank of Baroda. She alongwith other employees carried on the roll of Bank of Baroda. In the year 1999 she was transferred to Kirti Nagar Branch of the Bank and has been working there since then. She is in continuous service of the bank for more than 20 years, against a sanctioned post. She projects that she is being paid wages at half of the scale, at the initial of the scale without any annual increment. No leaves, medical aid, provident fund, and other benefits are accorded to her. Action of the management amounts to unfair labour practice. No appointment letter was issued to her. A claim was made that she may be regularized as part time workman of the bank.

3. Contest was given to her claim by the bank pleading that since she was not permanent employee of erstwhile Traders Bank Limited, she was not absorbed in the service of the bank. It has been denied that she was transferred to Kirti Nagar branch of the bank in 1999. Since she was not permanent employee hence not entitled to benefits like scale wages, leave, medical aid, provident fund and other benefits admissible under the law. It was claimed that she is not entitled to the relief of regularization of service as part time employee.

4. During pendency of adjudication of the dispute before this Tribunal Smt. Bhagwati was regularized in the service by the management w.e.f. 1-7-2008. Shri C.S. Dahia, General Secretary, Bank of Baroda Employees Union made a statement in that behalf. His statement is reflected thus: “I am General Secretary of Bank of Baroda Employees Union located at Bank of Baroda building at premises No. 4824/24 Ansari Road, Darya Ganj, New Delhi. Being General Secretary of the aforesaid Union, I am the authorized representative of Smt. Bhagwati, the workman. I am competent to make a statement on her behalf. I have been instructed to state that Smt. Bhagwati has been regularized in the service by the management on 1st of July, 2008. Since she has been regularized in services, hence there remains no grievance, which are to be adjudicated by this Tribunal. The reference may be answered as settled, in view of the fact that services of Smt. Bhagwati has been regularized.”

5. In view of the statement made by Shri Dahia, the General Secretary of Bank of Baroda Employees Union it came to light that grievance between Bhagwati and Bank of Baroda has been settled amicably. Now there remains no dispute between the parties. An Award is accordingly passed. It be sent to the appropriate Government for publication.

AWARD

The Government of India, Ministry of Labour by its order No. L-34011/7/2005-IR(B-II) dated 19-12-2005 referred the following dispute under Section 10(1)(d) of the I.D.

Act, 1947 for adjudication to this Tribunal between the management of M/s. Seaways Shipping Ltd., and their workman. The reference is,

SCHEDULE

"Whether the demand of the Visakhapatnam Port & Dock Mazdoor Sangh for payment of retrenchment compensation etc. to their member workmen viz. S. Sh. Kadiri Venkata Ramu and 7 others, Ex-Rowing Boat Workers (as per the list), according to their eligibility, by the management of M/s. Seaways Shipping Ltd., Visakhapatnam is legal and/or justified? If not, to what relief the concerned workman is entitled?"

The reference is numbered in this Tribunal as I.D. No. 16/2006 and notices issued to the parties.

2. The Petitioner union filed claim statement stating that the Petitioner workmen are Rowing Boat workers ferrying the personnel and labour engaged by the management. It is submitted that the Dock Labour Board itself is providing transport facility to its employees due to which the petitioner workmen become jobless and they were not provided with any job nor any compensation. It is prayed to direct the management to pay retrenchment compensation to each individual applicant.

3. The Respondent filed counter. It submitted that the Petitioner workmen are not the employees working under the Respondent and there is no employer and employee relationship between the applicant workmen and the Respondent and hence, the petition is not maintainable.

4. On 22-4-2009, when the case called out for evidence of Petitioner at Visakhapatnam Camp Court, Petitioner called absent while Respondent's counsel is present. Petitioner has not filed evidence affidavit, as such, Petitioner's evidence is closed as he is not attending to this case for more 2 years. Hence, Nil Award is passed in absence of any evidence.

Award passed accordingly. Transmit.

By Adv. S. Easwaran.

This case coming up for hearing on 30-06-2009, this Tribunal-cum-Labour Court on 2-7-2009 passed the following.

AWARD

This is a reference made under Section 10(1) (d) of Industrial Disputes Act, The reference is:

"Whether the action of the management of Indian Bank in imposing the punishment of compulsory retirement to Sh. T. K. Dasan its former employee on the misconduct committed by the latter is fair and justifiable? If not, what relief he is entitled to?"

2. The facts of the case in brief are as follows:-
Shri.T.K.Dasan was a sub staff of Indian Bank, Pallimukku Branch. While so he was charge sheeted for having forged a salary certificate purported to have been issued by Senior Manager, Circle Office, Ernakulam for the purpose of loan from Federal Bank. A domestic enquiry was conducted and he was found guilty of the charges. The disciplinary authority dismissed him from service which was modified to compulsory retirement with superannuation benefits by the appellate authority.

3. According to the worker he was unnecessarily dragged to a domestic enquiry despite admission of guilt. He has a clean past record. The punishment imposed is excessive and is liable to be set aside.

4. According to the management even though the workman admitted guilt an enquiry was conducted in order to provide an opportunity to the workman to put forward his contentions, if any. The misconduct is grave and warranted punishment of dismissal. However the Appellate Authority after hearing the workman modified the punishment by reducing it to compulsory retirement with superannuation benefits. The punishment is proportionate to the gravity of the misconduct and does not require any interference.

5. In the light of the above contentions the following points arise for consideration.

1. Are the findings sustainable?

2. Is the punishment proper?

6. The evidence consists of the oral testimony of MW1 and Exts.M1 and M1(a) on the side of the management and no evidence on the side of the workman.

7. Point No.1:- The worker had availed a loan from Federal Bank on 06.10.1999 by submitting along with other documents a salary certificate purported to have been signed by Sr. Manager, Circle Office, Ernakulam. According to the management it was a forged document. He was given a show cause notice. The worker admitted his guilt. However the management decided to conduct a domestic enquiry in view of the fact that the misconduct was grave in nature. Before the Enquiry Officer also the workman admitted the guilt. But the Enquiry Officer proceeded with the enquiry and took evidence from the side of the management. The Sr.Manager, Circle Office, Ernakulam was examined as MW1 and four documents, exts.MEX-1 to 4 were marked. Though the worker was allowed to take the assistance of a defence representative he did not avail the opportunity. However he was present in the enquiry. He was given chance to cross examine the management witness. But he did not do so. He was asked whether he had any witness or document to be presented. The workman answered in the negative.

8. In the light of the evidence of MW1 and documentary evidence of letter of Federal Bank requesting management bank to instruct the worker

to clear the arrears of loan instalments and three letters of the workman to the management bank undertaking to clear the loan and admitting his guilt regarding forging of salary certificate, the enquiry officer found the workman guilty of the charge. The evidence on the management side was not challenged by cross examining MW 1, or questioning the documents. Hence the findings are only to be confirmed.

9. Point No.2: —The disciplinary authority had imposed the punishment of dismissal from service which was modified by the appellate authority to compulsory retirement with superannuation benefits. It was submitted by the learned counsel for the worker that since the punishment imposed both by the disciplinary authority as well as the appellate authority is under clause 19.6(b) of First Bipartite Settlement which provides for penalty of warning or censure or recording of adverse remarks, the order of dismissal or compulsory retirement is unsustainable. The submission is not correct as Clause 19.6 was substituted by clause 21(iv) of 6th Bipartite Settlement dated 14-02-1995 which reads :—

Clause 21 (iv) "In supersession of Clause 19.6 of the settlement dated 19-10-1966 an employee found guilty of gross misconduct may:—

- a. be dismissed without notice; or
- b. be compulsorily retired/removed from service/discharged with superannuation benefits as would be due otherwise at that stage and without disqualification from future employment; or
- c. be brought down to lower stage in the scale of pay upto a maximum of two stages; or
- d. have his increment stopped; or
- e. have his special allowance withdrawn; or
- f. be warned or censured, or have an adverse remark against him; or
- g. be fined."

10. The disciplinary action was taken in 2000 and the 6th Bipartite Settlement is applicable in the case of worker. Therefore there is nothing wrong in invoking Clause 19.6(b) in imposing the punishment. However the question is whether the penalty imposed is harsh or excessive? According to the worker his past record is clean. He had admitted the guilt expecting that a minor punishment alone would be imposed. There is no merit in the contention. A case of forgery cannot be lightly treated by a banking institution. There is no evidence to show that the management had promised the worker a lighter punishment in case of admission of guilt. He had admitted the guilt before the management as well as 'Enquiry Officer voluntarily and not on account of any inducement or compulsion by the management. Therefore on that count no leniency could be shown by the disciplinary authority

or the appellate authority. The intrinsic nature of the misconduct is grave and the punishment imposed is only proportionate. The appellate authority has already shown leniency by modifying the order of dismissal to compulsory retirement with superannuation benefits. It is mentioned in the written statement of the management that -1:ewaf:EL.s-gratuity, commutation of pension and employee's contribution to PF were already given which comes to about Rs.2,20,000. However according to the worker these payments were adjusted towards loans which he had taken from the bank. He also admits that he is getting pension of more than Rs.2,000 per month. Thus whatever leniency the management could show, was shown and calls for no further reduction of punishment by this court. It is for the bank to write off balance amount, if any, outstanding from the worker.

In the result an award is passed finding that the action of the management in imposing the punishment of compulsory retirement on Sri.T.K.Dasan is fair and justified and he is not entitled for any relief.

The award will come into force one month after its publication in the official gazette.

24-06-1998, by exercising its powers under Section 10 of the Industrial Disputes Act, (hereinafter referred to as the Act), referred the following six references for judicial adjudication to this Tribunal:—

1. "Whether the action of the management of Indian Agriculture Research, Karnal in terminating the services of Sh. Hari Ram S/o Sh. Nanu Ram w.e.f. 6-6-90 legal & justified? If not, to what relief the workman is entitled?"
2. "Whether the action of the management of IARI, Karnal by not giving a chance to Sh. Rameshwar S/o Sh. Hirda Ram, Daily Paid Labourer for his re-engagement and re-engaging his juniors into employment is legal and justified. If not, to what relief the workman is entitled?"
3. "Whether the action of the management of IARI, Karnal by not giving a chance to Chote Lal S/o Sh. Ashfi Mehto daily paid labourer for his engagement and re-engaging his juniors into employment is legal and justified. If not, to what relief the workman is entitled?"
4. "Whether the action of the management of IARI, Karnal by not giving a chance to Sh. Om Pal S/o Sh. Surajan Singh daily paid labourers for his re-engagement and re-engaging his juniors into employment is legal and justified? If not, to what relief the workman is entitled to?"
5. "Whether the action of the management of I.A.R.I. Karnal by not giving a chance to Smt. Urmila S/o Sh. Babu Ram daily paid labourers for her engagement and re-engaging her juniors is legal and justified? If not, to what relief the workman is entitled?"
6. "Whether the action of the management of IARI, Karnal by not giving a chance to Shri Man Singh S/o Shri Nirmal Singh Daily Paid Labourers for his re-engagement and re-engaging his juniors into employment is legal & justified? If not, to what relief the workman is entitled?"

Common questions of law and facts are involved in all these references; hence, the references are disposed of by this award.

In ID No. 66/99 the reference is regarding the nature of termination of the services of the workman, whereas, in rest of the references the legality of right to re-engagement has been entrusted to this Tribunal.

The main question of adjudication before this Tribunal is whether the management has failed for re-engagement of the workman whereas, their juniors were employed.

The common case of all the workman, which gave the occasion for raising these industrial disputes, is that all the workman worked with the management of the respondent for different times and dates. Suddenly, they

were not permitted to work with the department in violation of the provisions of the Act. Thereafter, ignoring the seniority of the workman, 47 daily-wage labourers were appointed by the management in violation of Section 25F, 25G and 25H of the Act. All the workman were also entitled for work but no heed was given to their request. Their juniors were provided with the work, whereas, on repeated requests the workman were refused to the right to work. On the basis of their above mentioned claim, the workman have prayed for their reinstatement into the services with full back wages.

The management of the respondent appeared and contested the claim by filing written statement in all the references. A preliminary objection was raised that Indian Council for Agricultural Research, New Delhi, is a society registered under the "Societies Registration Act." and on the basis of the activities carried on and functions discharged, it is not an industry. On merits, it is alleged by the management that in the year 1993, it was decided by the Director, IARI, New Delhi to maintain the seniority list of all the DPL's. Thereafter, an advertisement was made in three Newspapers through DAVP vide letter No. 4-1/93/94/2827, dated 27-01-93, informing the general public that whosoever had worked with the respondent may apply for the re-engagement by 28-08-93. Copies of the latter written to DAVP for advertisement and Circular issued by the respondent have been filed by the management. It is also the contention of the management that in pursuance of the aforesaid notice/advertisement, 54 persons have applied by due date and 47 daily paid workers were appointed. As no workman has applied and had not completed 240 days of work in the preceding year from the date of the termination, they are not entitled for any relief under the provisions of the Act.

All the workman preferred to file the rejoinder with the contention that no advertisement was published in any of the newspapers. All the workman are illiterate and there was no notice to them for such a scheme and the management arbitrarily on the basis of pick and choose policy provided with the work even to the juniors of the workman.

As stated earlier, the management has raised preliminary objection about the status of respondent as industry. I have heard learned counsel for the parties on this issue, perused the written arguments placed by the parties and other materials on record. The term industry has been defined in Section 2(j) of the Act, to mean any business, trade, undertaking, manufacture or calling for employers and includes any calling services, employment, handicraft, or industrial occupation or avocation of workman. In *Bangalore Water Supply & Sewerage Board Versus A. Rajappa & Others* AIR, 1978-Supreme Court-548, seven Judges Bench of Hon'ble Supreme Court has defined the word industry very exhaustively. As per the above mentioned Judgment of the Hon'ble Apex Court,

the term 'industry' has been defined in Sub-Section 2(j) in a *vide* import as :—

(a) Where there is (i) systematic activity, (ii) organized by co-operation between employer and employee (the direct and substantial element is chimerical, and (iii) for the production and/or distribution of goods and services calculated to satisfy human wants and wishes (not spiritual or religious but inclusive of materials things or services geared to celestial bliss), *prima facie* there is an industry in the enterprise.

(b) Absence of profit, motive or gainful objective is irrelevant, be the venture in the public, joint, private or other sector.

(c) The true focus is functional and the decisive test is the nature of the activity with special emphasis on the employer-employee relations.

(d) If the organization is a trade or business it does not cease to be one because of philanthropy animating the undertaking.

Thus, the test (especially triple test) referred by Hon'ble Apex Court in *Bangalore Water Supply and Sewerage Board's* case (*supra*) are necessary to qualify any institution to be an industry.

Regarding the sovereign functions, Hon'ble Apex Court has held that sovereign functions strictly understood alone does not qualify exemption for being an industry, nor the welfare activities or economic adventures undertaken by Government or Statutory bodies. Even in department discharging sovereign functions, if there are units which are industries and are substantially severable then they can be considered to come within Section 2(j) of the Act, in the definition of 'industry'.

Thus, the decision whether the particular organization is an industry or not is to be taken by the work done and business carried on by it, which absolutely depends on the facts and circumstances of each case? Admittedly, as it is clear from the rules and regulation and memorandum of association of the ICAR, the main work of the management and functions discharged by it are as follows :—

(a) To undertake, aid, promote, and co-ordinate agricultural and animal husbandry education, research and its application in practice, development and marketing in India and its Protectorates and any other areas in or in relation to which the Government of India has and exercises any jurisdiction by treaty, agreement, grant usage, sufferance or other lawful means by all means calculated to increase secure its adoption in every day practice.

(b) To Act as a clearing house of information not only in regard to research but also in regard to agricultural and veterinary matters generally.

(c) For purposes of the society to draw and accept and make and endorse discount and negotiate Government of India and other promissory notes, bills of exchange, cheques or other negotiable instruments.

(d) To invest the funds of, or money entrusted to, the society upon such securities or in such manner as may from time to time be determined by the Government Body and from time to time to sell or transpose such investments.

(e) To purchase, take on lease, accept as a gift or otherwise acquire, any land or building, whenever situate in India which may be necessary or convenient for the society.

(f) To construct or alter any building which may be necessary for the society.

(g) To sell, lease, exchange and otherwise transfer all or any portion of the properties of the society.

(h) To establish and maintain a research and reference library in pursuance of the objects of the society with reading and writing rooms and to furnish the same with books, reviews, magazines, newspapers and other publications.

(i) To do all other things as the Society may consider necessary, incidental or conducive to the attainment of the above objects.

On the basis of the activities carried on by the management of the respondent, it is argued by learned counsel of the management that the activities are similar to the physical research laboratory and the physical research laboratory has been held not to be an 'industry' in *Physical Research Laboratory Vs. K. G. Sharma*, 1997 (3) RSJ-215.

I have gone through the entire materials on record. The activities as mentioned above carried on by the management of ICAR are not similar to the Physical Research Laboratory. The management has also supplied the copies of mission, mandate and objectives, which also contain the detail description of the activities carried on by the ICAR. On the basis of the activities carried on by the ICAR, I am of the view that the respondent is not carrying on the research work only which can seek exemption from the definition of term 'industry' as sovereign functions. As per the law laid down by the Supreme Court in *Bangalore Water Supply and Sewerage Board case* (supra), even in department discharging sovereign functions, if there are units which are industries and are substantial severable, it may qualify for the industry. Thus, on the basis of the activities carried on and the work done by the management of respondent, I am of the view that the respondent ICAR is an 'industry'.

From the nature of reference, it is clear that this Tribunal has not been entrusted by the Central Government to adjudicate the matter of appointment and retrenchment of all the workmen. The Tribunal is entrusted only to

adjudicate the legality of issue regarding failure of management in providing opportunity of work while preparing the seniority list of persons who have ever worked with the management? Thus the duty of this Tribunal is further extended to adjudicate the violation of any right of the workmen regarding the priority of work.

It is the contention of the management that the policy regarding the maintenance of seniority list was advertised in the newspapers. No newspaper containing the advertising has been filed by the management. The management failed to mention the names of the newspapers and dates of its publication in its pleadings and evidence. Shri J. P. Gupta, MW-1 the witness of the management has stated in his cross-examination that the advertisement was published in three newspapers, but he failed to name the newspapers and to disclose the date of publication. It was a special fact to be proved by the management that the workmen, whose claim are being adjudicated by this award were served proper and adequate notice for preparing the seniority list so that they could have also applied. The management has failed to prove that any advertisement was published in any of the newspapers as alleged. The management has further failed to prove that notice by registered post or otherwise were sent to the workmen before preparing and maintain the seniority list in compliance of the policy adopted by the management. The language of model advertisement (specimen), which is on record, shows that it was pasted on the notice board and no other action was taken by the management regarding the service of notice upon the persons who had ever worked with the management, for the purpose of maintaining the seniority. It was the duty of the management to inform all the persons who had ever worked with it by all possible sources to ensure proper, adequate and effective notice. Even if, one person was left unnoticed, it would have amounted to an infringement of his right of natural justice.

It was a good move by the management for maintaining the seniority in the betterment of the workmen, but implemented in a wrong way. After maintaining the seniority, few persons raised the industrial dispute that they have not been informed properly before maintaining seniority. During the conciliation proceedings in said industrial dispute, a settlement was entered between the management and the workmen. It was settled that a separate seniority list will be maintained by the management and according to the seniority, the work will be provided to the persons. But the management was satisfied by maintaining the second seniority list without fulfilling the other conditions for providing the job to any of the workmen from the second seniority list. The seniority list prepared by the management without proper information to all the persons contained the names of certain persons who are juniors to the workmen in violation of their right to priority on job, protected as such, under the provisions of the Act. It is admitted by the management that some juniors to the workmen are working.

Unfortunately, this Tribunal also took abnormal time of 11 years for disposal of these references and during the 11 years the management has not provided the work to any of the persons from the second list. Thus, the preparation and maintenance of second seniority list was a face wash by the management without any intention to provide the work to any of the workmen listed in second seniority list. Accordingly, the management has violated the right to priority of work protected under the provisions of the Act. There was no notice prior to the preparation of first list, and thereafter, on raising the industrial dispute, which was disposed of on the settlement between the parties, no honour was given by the management, which is also violation of Sections 18 and 19 of the Act. There is no weight in the contention of the management that the workmen had not applied as per the advertisement because there was no notice of the alleged advertisement to any of the workmen and management prepared the previous list without proper circulation of the scheme amongst the persons who had ever worked with the management.

The next question before this Tribunal is how the violation of the right of the workmen should be remedied? In my view, the remedy lies in direction to the management for preparing the one list as per the seniority of the workmen, and if any of the workmen from the second list is found senior to the workmen who have been provided the work from the list one, they should be provided with the job immediately. The fact of management by maintaining a second list with assurance to provide the work to the workmen is an indirect admission of laches in publication of advertisement of the scheme and the service of notice upon them. Accordingly, the management is directed to maintain only one seniority list at the place of two, and if the workmen are found senior to the workmen who are working with the management, the management is further directed to reinstate them without the back wages within one month from the publication of the award. The references are disposed of accordingly. Let the Central Government be approached for publication of award, and thereafter, files be consigned to the record room.

The Government of India, vide Notification No. L-14012/2/2005(IR(DU)) Dated 22-07-2005, L-14012/44/2003-IR(DU)) Dated 19-05-2004, L-14012/40/2003-IR(DU)) Dated 19-05-2004, L-14012/39/2003-IR(DU)) Dated 19-05-2004, L-14012/41/2003-IR(DU)) Dated 19-05-2004, L-14012/42/2003-IR(DU)) Dated 19-05-2004, L-14012/45/2003-IR(DU)) Dated 19-05-2004 and L-14012/17/2002-IR(DU)) Dated 03-09-2002, by exercising its powers under Section 10 of the Industrial Disputes Act, (hereinafter referred to as an Act), referred the following eight references for judicial adjudication of this Tribunal:

1. "Whether the action of the management of Vajra Station Canteen, Ludhiana in terminating the services of Shri S.S.Brar, w.e.f. 30-11-2000 without any notice and without any payment of retrenchment compensation is legal and just? If not, to what relief the workman is entitled to and from which date?"

2. "Whether the CSD Canteen is an industry or not? If so the action of the management of Chairman, Vajra Station Canteen, Ludhiana in terminating the services of Sh. Didar Singh Dhillon, Ex-Clerk w.e.f. October, 1992 without any notice and without paying him any retrenchment compensation is legal and just? If not to what relief the concerned workman is entitled to and from which date?"

3. "Whether the CSD Canteen is an industry or not? If so the action of the management of Chairman, Vajra Station Canteen, Ludhiana in terminating the services of Sh. Parsham Singh, Ex-Caretaker/Watchman w.e.f. 10-4-2000 without any notice and without paying him any retrenchment compensation is legal and just? If not to what relief the concerned workman is entitled to and from which date?"

4. "Whether the CSD Canteen is an industry or not? If so the action of the management of Chairman, Vajra Station Canteen, Ludhiana in terminating the services of Sh. H.S. Jhaj, Ex-Cashier w.e.f. 15-4-1999 without any notice and without paying him any retrenchment compensation is legal and just? If not to what relief the concerned workman is entitled to and from which date?"

5. "Whether the CSD Canteen is an industry or not? If so the action of the management of Chairman, Vajra Station Canteen, Ludhiana in terminating the services of Smt. Manorma Pathania, LR Late Shri S.K. Pathania, Ex-Salesman w.e.f. 1-12-98 without any notice and without paying her any retrenchment compensation is legal and just? If not to what relief the concerned workman is entitled to and from which date?"

6. "Whether the CSD Canteen is an industry or not? If so the action of the management of Chairman, Vajra Station Canteen, Ludhiana in terminating the services of Sh. Bhag Singh, Ex-Watchman w.e.f. 10-4-2000 without any notice and without paying him any retrenchment

compensation is legal and just? If not to what relief the concerned workman is entitled to and from which date?"

7. "Whether the CSD Canteen is an industry or not? If so the action of the management of Chairman, Vajra Station Canteen, Ludhiana in terminating the services of Sh. Jagjit Singh, S/o Sh. Harbhajan Singh, Ex-Store-keeper w.e.f. 30-11-2000 without any notice and without paying him any retrenchment compensation is legal and just? If not to what relief the concerned workman is entitled to and from which date?"

8. "Whether the action of the management of Managing Committee, Station Canteen Ludhiana in terminating the services of Ms. Kamaljit Kaur W/o Sh. Kulwinder Singh, Salesgirl, w.e.f. 30-11-98 without paying her any retrenchment compensation is just and legal? If not, to what relief the workman is entitled and from which date?"

Common questions of law and facts are involved in all these references; hence, the references are hereby disposed of by this award. The main question for determination before this Tribunal in all these references is whether the termination of the workmen by the management of respondent on different dates between October, 1992 to 2000 is illegal? If so, to what relief all the workmen are entitled?

On perusal of the pleadings of parties, it is evident that the workmen were engaged on the basis of the result of interviews held by the management for running the Station Canteen, established and set up for the benefit of ex-military personnel's. On perusal of pleadings, it is also evident that initially all the workmen were appointed for a fixed term through a written instrument (agreement) and the said period was extended from time to time. On extension of the time a separate instrument (agreement) was executed. The management has contended that the nature of appointment was contractual for a fixed term and on expiry of the term of contract, the services of workmen stand terminated automatically. It was not a continuous appointment but was an appointment for a short time, which was, as per the terms and conditions of the contract to be terminated automatically on expiry of its term.

Workmen in their pleadings and evidences have admitted that they were appointed for a fixed term with the contention that this fixed term appointment is unlawful labour practice. They have continuously serve in the canteen set up by the management and their services were protected from termination without notice and terminal dues in compliance of the provisions of the Act.

I have gone through the evidence of the parties, oral and documentary and other materials on record. It is settled principle of service jurisprudence that if any appointment is made for a fixed term, it ceases to exist on expiry of its term. In all the references, the agreements executed in between the parties from time to time are on record. On

Careful perusal of the contract, it is evident that appointment letters were issued to all the workmen on their selection after interviews and a document was executed between them titled as "Contract Form for employment of the Station Canteen, Ludhiana (Punjab)." On perusal of all the terms and conditions of this instrument, it is clear that the appointment of workmen was for a fixed term. Even before fixed term, services of the workmen could have also been terminated on the following grounds :—

1. On closure of the Canteen, the services of the workmen could have terminated automatically.
2. On misconduct of the workmen, the services could have been terminated, and
3. Clause 14 of the instrument provide that on termination of the contract, the first party (workmen) shall deliver to second party (management) all books, records, stocks and other articles belonging to the first party.

It means, on termination of the contract, the services of the workmen came to an end and he was under the contractual obligation to return all the books, records, stocks and other articles held by him during the period he had served the management.

Thus, on perusal of all the evidences on record, I am of the view that appointment of workmen was purely contractual for a fixed term. After expiry of said term another instrument was executed between the parties, further for fixed term. Fresh appointment letter was given to the workman on execution of fresh instrument and such appointment cannot be treated perpetual appointment (appointment in continuation). On expiry of the bilateral instrument, the services of the workmen came to an end and if management opted to get the services of the workmen once again, it was a fresh appointment and cannot be called as the appointment in continuation. I am not inclined to accept the continuation of the workmen that such an appointment is unlawful labour practice. On going through the intention of the administrative policy for establishment and set up of Canteen, it is clear that canteen are set up for the purpose of providing the services (work) to the ex-military personnel's, if available to run the canteen. There is a force in the contention of the management that services to maximum retired personnel's should be provided. Thus, such appointments are not unlawful labour practices, because the appointments were made and contracts executed as per the provisions of law.

The canteen, to which workmen served, as stated earlier, is established for the benefit of ex-military personnel. Under the beneficiary scheme, the administration of the Canteen is also given to ex-military personnel up to the age of 58 years. In my opinion contractual appointment are given to the military personnel with a view to extend the benefit of such beneficiary scheme to the maximum ex-military personnel. Such a scheme is not unlawful labour

practice. On the basis of the above discussion, I am of the view that appointments of the workmen were for a fixed term and on expiry of the fixed term, their services were automatically terminated. It will have no effect that how many times fresh appointments were made for a fixed term. Every appointment for a fixed term was a separate and independent appointment. On expiry of the term fixed in last instrument, the services of the workmen were terminated and no notice or retrenchment compensation was required to be issued/paid. The management was not under any obligation to give any notice, if not willing to terminate the services of the workmen prior to the life of instrument. On the basis of above discussion, all the references are answered that the termination of the workmen by the management is not illegal because their services, which were contractual in nature were terminated automatically with the life of the contract and workmen are not entitled to any relief. Let the Central Government be approached for publication of the award, and thereafter, files be consigned to record room.

AWARD

Passed on this 21st day of July-2009

1. The Government of India, Ministry of Labour vide its Notification No. L-14012/89/99/IR(DU) dated 21-6-2000 has referred the following dispute for adjudication by this tribunal:

"Whether the action of the management of General Manager, Ordnance Factory, Jabalpur in dismissing the services of their workman Shri Ramdayal S/o Sh. Ramprasad, Ex-labour "B", T.No. A-2/4/62695 w.e.f. 5-10-91 is legal and justified? If not, to what relief the concerned workman is entitled?"

2. The case of the workman in short is that he was deputed as Labour "B" in Section A-2 on 10-5-90 at Ordnance Factory, Khamaria, Jabalpur. He was called by the Security Office where he went and found that two brass cups were kept on the table. It is stated that theft of which was being attributed upon the workman. Despite protest, he was forced to sign on a statement which was later disclosed as confessional statement. A chargesheet was issued on 28-5-90. A departmental enquiry was conducted but the documents demanded by the workman was supplied and he was denied opportunity to defend himself. Thereafter the enquiry proceeded ex parte and the enquiry report was submitted to the disciplinary authority who mechanically passed the penalty order of dismissal on 5-10-91. The workman preferred an appeal against the said penalty but the same was rejected on 1-8-93. It is stated that there was no loss or damage to the Government property. The penalty of dismissal has rendered the workman unemployed, depriving him and his family member of the sources of their livelihood.

3. The management/non-applicant also appeared and filed Written Statement. The case of the non-applicant, inter alia, is that the workman raised this dispute after a period of eight years from the date of punishment. It is stated that the workman was brought to the office of the Foreman on suspicion on 10-5-1990 and on interrogation, he took out two brass cups, concealed under his pant and shirt. Thereafter he was handed over to security guard alongwith the brass cups. Seizure memo was prepared. A statement was taken and he confessed his guilt. He was placed under suspension w.e.f. 11-5-90 and charges were

served on him but he denied the charges. The Court of enquiry was conducted. The Enquiry Officer asked the workman to avail assistance of a co-worker/defence counsel who availed the assistance of Shri G.R.C. Nair as his defence counsel. Presenting Officer produced his evidence and the witness was cross-examined by the defence counsel. After the evidence of the management, the workman and his counsel did not appear in the proceeding though several adjournments were done. Lastly the Enquiry Officer closed the proceeding and submitted enquiry report to Disciplinary Authority. The Disciplinary Authority also gave opportunity to the workman to be heard on the enquiry report. Thereafter the disciplinary authority after considering that the charges were proved, passed the order of dismissal w.e.f. 5-10-91. The workman preferred appeal but the same was rejected on 1-3-93. It is stated that considering the gravity of misconduct, the punishment was just and proper and it is also in the public interest. On these grounds, the reference be answered in favour of the non-applicant/management.

4. On the basis of the pleadings of both the parties, the following issues are for adjudication:—

- (i) Whether the departmental enquiry conducted was proper and legal?
- (ii) Whether the punishment imposed on the workman was just and proper?

5. Issue No. 1

This issue No.1 is already decided as a preliminary issue on 12-6-06. It is held that the DE conducted by the management is legal, proper and in accordance with the principles of natural justice. Accordingly, this issue is already decided in favour of the management and against the workman.

6. Issue No. 2

It is argued on behalf of the management that there was inordinate delay of eight years and there is no explanation in this regard. The learned counsel for the workman submits that the workman preferred appeal and the same was disposed of in 1993. However, there is delay and there is no proper explanation. It also appears that before filing dispute before this Tribunal, the workman filed petition vide No. OA-244/98 before the Hon'ble Central Administrative Tribunal against the order of punishment. The same was dismissed by the order dated 18-5-98. This shows that it is decided by competent Tribunal.

7. In this case, only documentary evidence is adduced by the management. No oral or documentary evidence is adduced by the workman. The learned counsel for the workman submits on the point of punishment that the workman is a first offender and his 10 years past service was clean. It is also submitted that the alleged theft articles were also not produced at the time of enquiry and as such the dismissal of the workman is not justified. On the other hand, the learned counsel for the management submits

that the charge of theft is proved against the workman and under Rule-14 of the CCS(CCA) Rules, 1965, there was gross misconduct and the conduct is unbecoming of a Government Servant. As such, the punishment imposed on him is sufficient and just. Considering the evidence available on the record specially that the allegation of theft of a Government property is proved from the protected area by Government Servant. It appears that the punishment is just and proper. There appears to be no need to interfere in the order of punishment. Accordingly, this issue is decided in favour of the management and against the workman.

8. In the result, the award is passed against the workman and in favour of the management without the order of costs.

9. Let the copies of the award be sent to the Government of India, Ministry of Labour & Employment as per rules.

Standing Counsel

AWARD

The Central Government, Ministry of Labour vide its Order No. L-42011/21/2009-IR(DU) dated 25-06-2009 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

"Whether the demand of Kumari District Bhartiya General Workers Union for grant of temporary status/regularization of services of Shri S. Babu and 28 Others, as per Annexure, is legal and justified? If yes, what relief the workmen are entitled to?"

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as ID 69/2009 and issued notices to both sides. The petitioner appeared in person and the Respondent proposed to engage a counsel. No Claim or Counter Statement was filed by either of the parties.

3. While so the petitioner put in a request in writing signifying the desire to settle the dispute with a further request to put an end to the ID. He made an endorsement in writing to the effect that ID 69/2009 is not pressed as is sought to be withdrawn under his dated signature.

Points for consideration are:

(i) Whether the demand of the petitioner is legal or justified?

(ii) To what relief the petitioner is entitled?

Point No. 1 & 2

4. As matters stand, the question referred to is whether the demand for grant of temporary status/regularization of services of S. Babu and 28 others is legal and justified? There has been no material placed by the petitioner for a finding in that direction. The petitioner has not come forth or ventured to adduce any evidence in view of the fact that he wants the matter to be settled before the Central Administrative Tribunal, Chennai wherein the same dispute is pending in OA 455/2009 for a remedy. To that end in view, the petitioner has sought the ID to be withdrawn as being not pressed. It being the position, it has not been made possible to determine whether or not the demand of the Union under the reference is legal and justified. Since the burden to prove that is upon the petitioner and he having not discharged that function the reference is answered in the negative. The petitioner is therefore not entitled to any relief.

5. Thus the reference is answered accordingly.

AWARD

Passed on this 22nd day of July, 2009

1. The Government of India, Ministry of Labour vide its Notification No. L-42012/200/96/IR(DU) dated 1-1-98 has referred the following dispute for adjudication by this Tribunal :—

"Whether the action of the management of C.P.W.D., Central Division, Jabalpur in terminating the service of Shri Dharam Lal Sahu, S/o Shri Mehtru Ram Sahu, Resident of Bhim Nagar, Dongargarh, Distt. Rajnandgaon w.e.f. 1-6-95 is lawful and justified. If not, to what relief the workman is entitled to?"

2. The case of the applicant/workman in short is that he was working with the non-applicant w.e.f. 10-8-88 as Lower Division Clerk to the entire satisfaction of his superior. The non-applicant is said to have terminated him from the service w.e.f. 1-6-95 without assigning any reason. The non-applicant is an Industry within the meaning of Section 2(j) of I.D. Act. It is stated that workman worked continuously for 240 days in every year and non-applicant had not complied the provisions of Section 25(f) of the Industrial Disputes Act. The termination of the applicant is illegal and bad in law. It is submitted that the applicant be reinstated with full back wages.

3. The management/non-applicant appeared and contested the case by filing Written Statement in the case. The case of the non-applicant, inter alia, is that the workman was never engaged as LDC. In order to carry out the supervision of the Construction of Jawahar Navodaya Vidyalaya, at Dongargarh (MP) sub-division was created in the month of April, 1989. Since the construction was for a definite period, as such no post was sanctioned and temporary staffs were engaged without complying the statutory rules for appointment. The said staffs were made aware that their services were only for the project work. It is stated that on completion of the construction work, the sub-division office as well as Division office at Raipur had to be closed. Under the circumstances, the workman was engaged for project work with a definite time period and his case comes within the provision of Section 2(oo) of I.D. Act. Therefore, no prior notice was required nor the provision of Sec-25-F of the I.D. Act is attracted. It is submitted that the reference be answered in favour of the management.

4. On the basis of the pleadings of both the parties, the following issues are for adjudication—

- (i) Whether the Workman was appointed by the management for a fixed period and was terminated after the expiry of said period?
- (ii) If no, whether the workman was terminated after complying the provision of Sec.-25(F) of the I.D. Act?

5. To prove the case, the workman has adduced oral and documentary evidence. The management/non-applicant has not examined any evidence to substantiate the case.

6. Issue No. 1

The first important question is as to whether the workman was appointed by the management on contract for a fix period and was terminated after the expiry of the said period under the provision of Sec.-2(oo)(bb) of I.D. Act.

On the basis of the pleading of both the parties, it is admitted that the workman was engaged by the management at the time of construction work of Jawahar Navodaya Vidyalaya. It is stated by the workman in his pleading that he worked from 10-8-88 to 1-6-95. There is no denial of this fact by the management. This fact also appears to be admitted that he worked from 10-8-88 to 1-6-95.

7. The burden is on the management to prove that the workman was appointed by the management on contract for a fixed period and was terminated after the expiry of the said period. The management/non-applicant has not adduced any oral or documentary evidence. The management has failed to discharge his duty to prove his case. On the other hand, the workman has adduced oral and documentary evidence in the case. He has filed photocopy of a Certificate (W-1) to show that he worked

continuously from 10-8-88 to 31-5-95. The original is not filed though it appears that it is in the possession of the workman. There is no evidence as to why the original is not filed. As such this document appears to be not fit to take into evidence.

8. The workman has also adduced evidence. He has stated that he worked continuously from 10-8-88 to 31-5-95 and he was terminated on 31-5-95 without any notice and without giving any compensation. He has been cross-examined. He has supported his case that at the first instance, he was appointed in the office and still the construction work is going on. He has further stated that the office of the CPWD is still in existence though the construction of Navodaya Vidyalaya has ended and he has been terminated. This fact does not show that he was appointed only for the period of construction of Navodaya Vidyalaya. The evidence shows that the workman worked more than 240 days in a calendar year before termination. This fact appears to be also admitted by the management in his pleading. There is no other evidence to contradict the evidence of the workman. This issue is answered in favour of the applicant and against the management.

9. Issue No. 2

There is no evidence adduced on behalf of the management that the workman was terminated after complying the provision of Sec.-25-F of the I.D. Act. The workman has stated in his evidence that no notice was served nor any compensation was given before terminating the workman. This clearly shows that the non-applicant has violated the provision of Sec.-25-F of the I.D. Act. The workman is entitled to be reinstated on the post of Chowkidar in which he was last working with back wages. Accordingly, this issue is answered in favour of the workman and against the management.

10. In the result, the award is passed in favour of the workman and against the management without costs.

11. Let the copies of the award be sent to the Government of India, Ministry of Labour & Employment as per rules.
